

WELCOME BACK TO SCHOOL!

Our District Newsletter will be sent out each month with information from the education departments. We look forward to sharing the great things happening in your schools. Please feel free to share your news with us so we can add to our newsletter.

Thank you for all you do!

Mark your calendars for upcoming dates!

- September 1-Progress Reports
- September 5-Labor Day Holiday
- September 6-PD Day (No Students)
- September 15-Bus Driver Appreciation Day (Cars Movie Theme)
- October 3-7-Fall Break
- October 13-Report Cards

MESSAGES FROM DEPARTMENTS:

Technology: We are in the process of launching our new district website and phone app. The website address is the same: www.crockettcavs.net. Please check it out! Please set up your multi-factor authentication if you haven't already. The directions were sent in an email from Mr. Pratt and they are on the district website under Technology tab. Thanks for all the help tickets you have been putting in and we appreciate the reviews that you submit. Hopefully, things will begin to run more smoothly over the next few weeks as we continue to address issues.

Special Education: We want to welcome everyone back! We have several new faces this year. The sped department welcomes Chloe Chow Ibarra, Speech Language Pathologist and Renee Cox, Speech Teacher for our 5 schools. Mrs. Tera Stephens has joined the sped team at FES. At middle school, we welcomed Janice Moore to the 7th grade team. If you see Carli Branson at the middle school, she is not lost----she is leading our sped staff at the middle school and serving as the 8th grade sped teacher. Mrs. Leah Camp has joined the high school's sped staff. She and Cody Dew will be serving our 9-12th grade students. Mrs. Vickie Cleek has joined the high school sped crew as a special education inclusion assistant.

LEAPs: LEAPs will be kicking off on Aug. 8. We are excited to enter the third year of our grant and look forward to a year packed with exciting activities. If you are interested in working in the LEAPs program, contact Allison Smith for more information. Allison.smith@crockettcavs.net

Pre-k: We are excited to welcome our Pre-k students as they begin their education journey. Be sure as you see these families drop off their child for the first time, you pass along encouraging words. Our teachers and assistants could also benefit from extra support as they begin modeling these precious children into students that will one day be in many of your rooms. We have a full program this year!!

Food Service: Thanks to a flexibility provided by USDA waivers, ALL students were eligible to receive both breakfast and lunch at no cost through the 2021-2022 school year. Those flexibility waivers were not extended for the 2022-2023 school year and expired June 30,2022.

So... what does that mean for student meals?

Friendship, Gadsden and Maury City Elementary will be taking part in the Community Eligibility Program or Provision 2 Program during the 22-23 school year. What this means is that students attending those participating school will be offered both breakfast and lunch meals at no charge, regardless of eligibility status.

Crockett County Middle School and Crockett County High School students will continue to receive breakfast at no cost; however, lunch meals will require a Free & Reduced Meal Application in order to receive meals at no cost or a reduced pricing.

Copies of the meal application can be found in the CCMS/CCHS cafeterias.

Coordinated School Health: Please help me welcome all our new Health Services staff! Courtney Harber, GES/FES School Nurse, Destiny Watson, MCES School Nurse, and Angie Bodkins, as our School Social Worker. We are so excited to have these ladies join us!

Assessment: Please visit the Crockett County Assessment website linked here: <https://www.crockettcavs.net/administration/curriculum-instruction-assessment> to see a list of the assessment information posted.

Instruction: Math instructional materials will be adopted this school year. If you are interested in joining the math textbook adoption team, please send an email to Dawn Carmack or Katie Mansfield to let them know your interest.

ESSER: You can review ESSER on our school website and complete a survey there. Here is the link for the survey as well. [ESSER Survey](#)

Newsletter: If you have anything you wish to share in our district newsletter, please email Dr. Katie Mansfield at katie.mansfield@crockettcavs.net. We know there are lots of great things happening in our district and we want to share them!
