

## Lyndhurst Middle School | THE SUMMER SERIES – July 6, 2022

### WELCOME

I hope this newsletter finds you well and enjoying the start of summer. This is a very exciting time for all of us who are preparing Lyndhurst Middle School to provide your child(ren) with the experience of a lifetime. While the doors of LMS opened two falls ago, we continue to develop and evolve to make improvements designed to benefit all learners. Certainly, much of the information will be familiar to our 7<sup>th</sup> and 8<sup>th</sup> graders, but a refresher is always helpful. Our plan is to provide some information throughout the summer to help you and your child know what to expect this September. There are so many wonderful aspects of our school community to share. We hope our excitement and anticipation are contagious!

The LMS Summer Series Newsletter will include the following topics:

- 7/13: Core Curriculum
- 7/20: Encore (Elective) Courses
- 7/27: Social Emotional Learning & Special Groups
- 8/3: Student Placement & Schedules
- 8/10: LMS Schedules & Programs
- 8/17: Ins & Outs of LMS (Handbook)
- 8/24: Meet the Staff & Faculty
- 8/31: Getting Ready for Day 1

On the next page you will find LMS dress code guidelines that directly correspond to those approved for the entire district by the Lyndhurst Board of Education. You are welcome but not required to use this link to [Mail Direct](#) to purchase spiritwear. The complete dress code policy will be located in the LMS Student Handbook to be shared at a later date.

Additionally, you will find a general list of supplies that can be purchased before the start of school. Specific needs for individual courses will be shared by teachers at the start of the year. Of course, all items can be found in local retail stores or if easier, they can be ordered from online outfitters such as Amazon or Staples.
