

School Year 2022/2023 – Student Health and Immunization Records

Dear Parent/Guardian of 6th graders:

Illinois State Law requires all school children to have up-to-date health and immunization records. According to our health records, your child needs the services that are checked below:

- **Physical Examination:** 6th graders must submit an Illinois Certification of Child Health Examination form. *The Health History section must be completed and signed by the parent/guardian or the form cannot be accepted and will be returned.*
- **Tdap:** 6th grade students – one dose on or after the 11th birthday.
- **Meningococcal Vaccine (Meningitis):** 6th grade students – one dose on or after the 11th birthday.
- **Dental Examination:** 6th graders must provide Proof of Dental Examination Form signed by a Dentist *prior to May 15th, 2023.*

* * * Email records to: mvaldez@norridge80.net

The completed Certificate of Child Health Examination with documented immunization record is due by October 15th, 2022.

If you have any questions please call the student services office at 708-453-4847 Ext. 1100 or send me an email: mvaldez@norridge80.net

Please disregard this email if you have already submitted the required documentation.

Thank you,

Mariella Valdez
