# THE WILDCAT FUND

## Now and for the future of OLGC School

The Wildcat Fund celebrates Mrs. Williams as our new principal and continues to advance four critical initiatives for OLGC School:

- Recruit, recognize, and retain exceptional faculty and staff
- Advance curriculum, technology, and innovative classrooms
- Address the needs of our growing campus
- Deliver need-based tuition assistance

In recent years, we have been able to provide outstanding academic and spiritual growth for our students despite the significant challenges of an aging infrastructure. The need for capital improvements is now urgent and unavoidable due to obsolete systems, non-existent replacement parts, and declining materials. To continue to provide our children with an exceptional education, we must address the critical issues facing our aging physical home.

The installation of a new Air Filtration (HVAC) system, a new roof at the school, and the continued upgrade of the flooring in classrooms will help bring our building up to the high standards needed to ensure that OLGC School remains a beacon of academic excellence, faith-enriched learning, prayer, and service in our community now and for future generations.

**THANK YOU FOR SUPPORTING THE WILDCAT FUND**
