

Marti Neahring

Marti Neahring serves as the executive director for student and family services for West Aurora School District 129. In her role, she is responsible for managing school safety procedures, supporting all district buildings with student disciplinary matters and alternative education options, and overseeing the student enrollment and residency processes. Marti is focused on building positive relationships with all district stakeholders as well as working closely with law enforcement and emergency management services to provide safe and healthy school environments. Marti serves on the executive boards for the Northern Illinois School Safety Administrators Association and the Aurora Area Crime Stoppers. She holds a bachelor's degree in special education from Western Illinois University and a master's degree in educational leadership from Aurora University.
