

Principal
St. Bridget School, Manchester, CT
Pre-K through Grade 8

St. Bridget School is seeking a principal to provide instructional leadership to its pre-K through grade 8 community. The successful candidate will demonstrate an understanding, respect and support for Catholic Church teaching, mission and values as well as the ability to inspire and provide oversight in all areas of school functions. As the instructional leader, the principal will foster excellence in teaching and learning across all curricular and co-curricular programs and activities.

The principal will be responsible for the operational aspects of the school, including budget preparation, management and implementation, and hiring of school staff. In addition, the principal will possess the ability to communicate effectively with parents, parish, community and alumni; ensure review and update of curriculum and textbooks, and lead ongoing student recruitment efforts.

Appreciation for lifelong learning, skills in empowerment/delegation, and valuing of persons and relationships are important qualities for this position.

Qualified candidates must possess a Master's degree in a related field. Administrative certification and experience preferred but not required.

Interested candidates should email presidentoffice@saintteresacatholic.org.
