Today was a beautiful day to be at Boulder Beach in the Groton State Forest. The weather was balmy, the water was warm, and the kids had a blast. Fun fact; this State park gets its name from the many large rocks left by glaciers on the sandy beach of Lake Groton. We'll be sharing pictures soon!

Picture Day was yesterday at WRVS and I had the pleasure of seeing lots of big smiles! You can expect your child to bring home his or her photographs in about four weeks. Picture Retake Day is scheduled for Thursday, October 27th.

I plan to continue Community Outreach meetings again this year. The first one is scheduled for Thursday, September 15th at 6:00 p.m. Weather permitting, we'll gather under the pavilion that is located on the back playground. Please consider joining us; it's an informal conversation and I'd really appreciate hearing your thoughts.

Congratulations to Mrs. Bates 1st Grade scholars for being the first class to return all their forms. They were treated to an ice cream party yesterday afternoon. If you have not already done so, please send your child's forms to school with him or her on Tuesday. It's very important that we have up-to-date information for each of our scholars.

Our K through 5 scholars will be going to the [Agricultural Education Day](#) at [The Tunbridge World's Fair](#) on September 15th. Please watch your email in the coming days for an electronic permission slip.

Our [2022-2023 Parent & Scholar Handbook](#) is online. If you would like a hard copy sent home, please call Lisa Thompson at 439-5534.

Please come see me, email me, or call me with your thoughts. My contact information is below. Knowing that many of you are available to reflect during the evening hours, please do not hesitate to contact me then.

I wish everyone a fun-filled weekend and will look forward to seeing everyone back at school on Tuesday!

Sincerely,
Carlotta Perantoni

HAVE A FUN WEEKEND!

Coming Soon to WRVS!

Note from our School Nurse: The Ronald MacDonald Dental Van will be at WRVS September 21-27. The Dental van is a modern, fully equipped dental office on wheels. Services include cleaning teeth, exams, fillings, x-rays, extractions and sealants. The goal is to bring dental services to Vermont children who do not have a dentist. If you would like more information or to enroll your child for dental care with the Ronald MacDonald Mobile Dental Van, sponsored by The Health Center in Plainfield, VT, we need a completed [application](#) returned to school by September 9th. Please contact Carla Horniak, at 439-5534 if you would like an application sent home with your child.

Soccer News

Corey Pittsley and Jason Rogers will coach the 6-8 team and plan to start practice on September 6th. Players can expect to receive more information directly from the coaches.

The 3-5 team will start after the volunteer coach has been cleared. It will not be next week; we'll keep you posted.

K-2 scholars will have an opportunity to participate in instructional soccer. The plan is to start September 17th and do every Saturday morning from 9:00 to 10:00 through October 22nd.

Kindness...

It's everywhere at WRVS...

And we're going to keep spreading it around!

In our ongoing quest to encourage and celebrate kindness at WRVS I'm notified when a scholar is recognized for showing an act of kindness. Each Friday, we take a picture with myself, the recognized scholars and the person who made the nomination and we include them in our weekly newsletter and post them on our Facebook page.

This year I'm starting another tradition where I will recognize a scholar each week who I feel exhibits behavior that they personally should be proud of and recognized for. Today, I nominate Liam Graves. He's new to our school this year; a 5th Grade scholar in Mr. Lamarre's classroom.

Welcome, Liam! You're rocking it!
