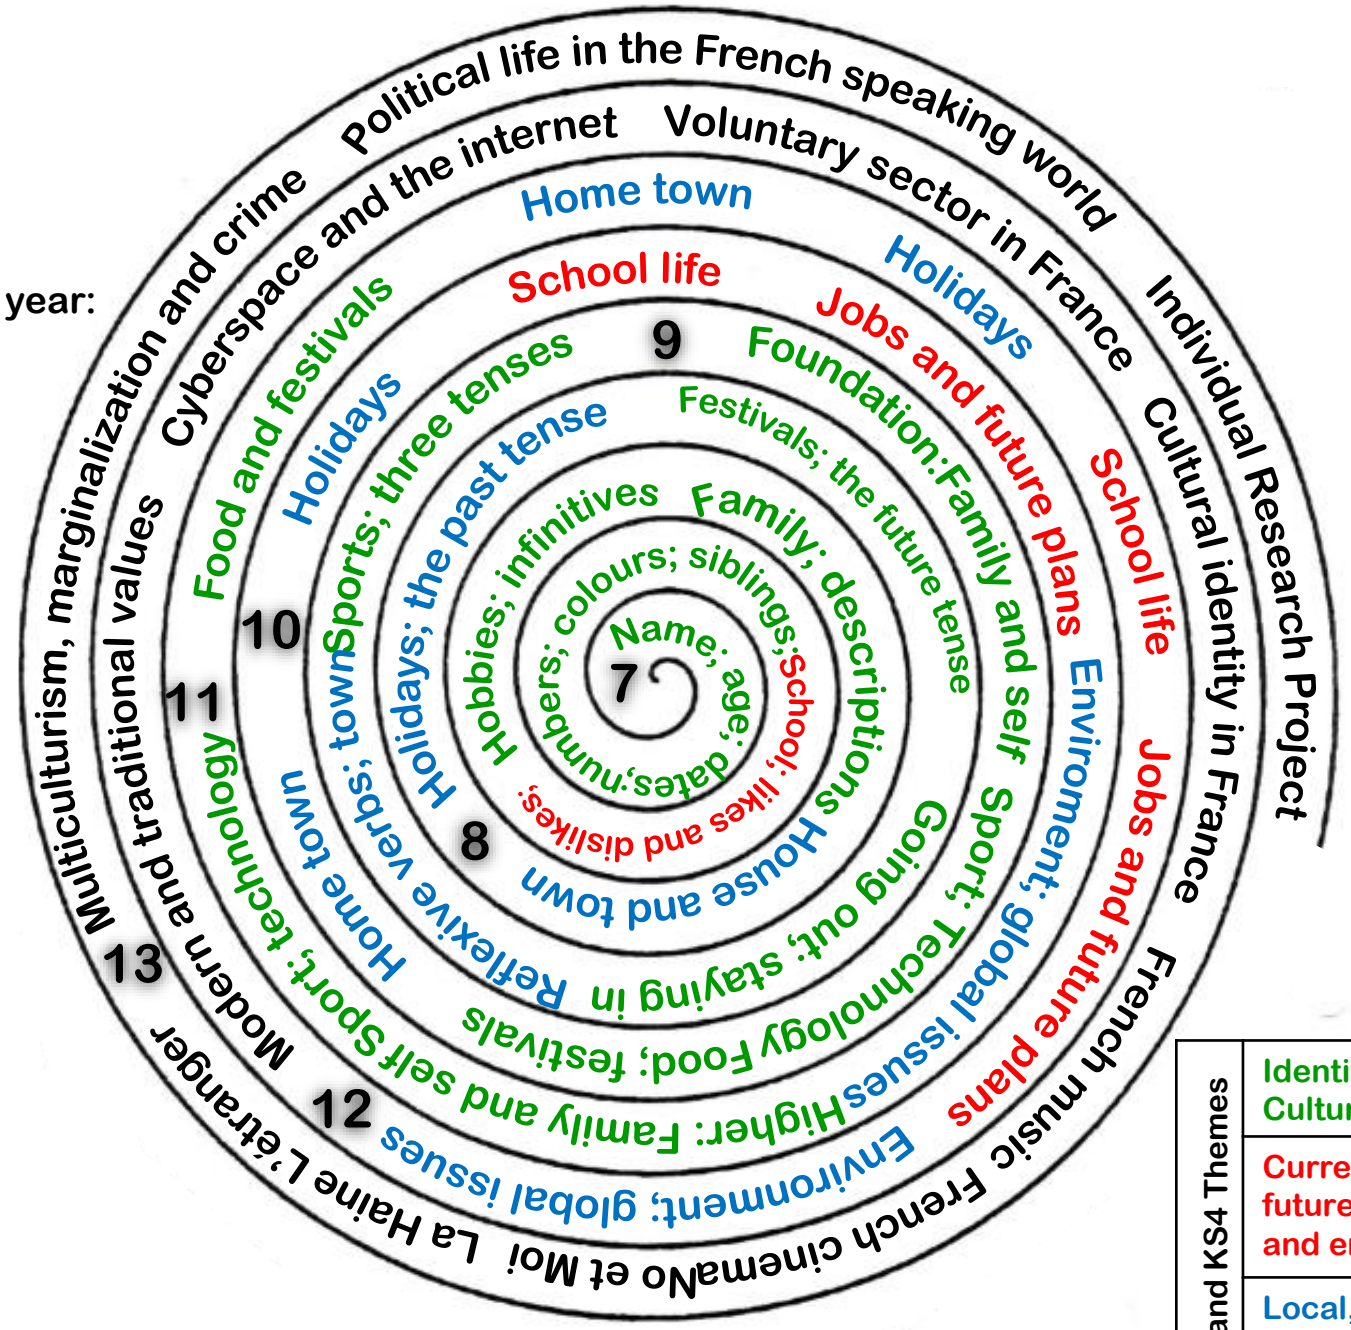
French at KHS

Focus: Communication
Result: Confidence.

The components that we use in every lesson and every year:

Cognates	Using what we already know to help us with new words and language
Chatting	Naturally communicating orally
Connecting	Linking patterns and structures
Cherry picking	Finding and focussing on the necessary information in amongst other language
Comprehension	Understanding the written or spoken language
Conjuring	Creating and sharing language verbally or in the written form
Collecting	Building up a word bank of vocabulary, grammar and structures to be recalled easily



KS3 and KS4 Themes	
	Identity and Culture
	Current and future studies and employment
	Local, national and global areas of interest
