

Spanish at KHS

Focus: Communication

Result: Confidence.

The components that we use in every lesson and every year:

- Cognates Using what we already know to help us with new words and language
- Chatting Naturally communicating orally
- Connecting Linking patterns and structures
- Cherry picking Finding and focussing on the necessary information in amongst other language
- Comprehension Understanding the written or spoken language
- Conjuring Creating and sharing language verbally or in the written form
- Collecting Building up a word bank of vocabulary, grammar and structures to be recalled easily

KS3 and KS4 Themes	Identity and Culture
	Current and future studies and employment
	Local, national and global areas of interest
