

GETTING A “D” OR “F”

****You MUST maintain a 2.5 cumulative GPA for high school and a 2.0 cumulative GPA in college in order to continue to attend SOAR High School****

In College:

- If you received a D or F in a college course, every attempt must be made to retake that course the following semester (or summer school, if applicable).
- Students who get a D or F in a college class will be required to pay to repeat the class.
- If a new textbook is required or is not in the SOAR book inventory, students will be required to pay for the textbook.
- Payment must be paid at the time of registration to T-700E in cash or a check made out to AVC with the memo indicating which class they are repeating.

In high school:

- If you received a D in a high school A- G course, every attempt must be made to retake that course during summer school, if applicable. If you received an F in a high school class you MUST retake the course during summer school.

Mandatory Academic Support (MAS):

- Students will be placed on MAS based on their high school or AVC GPA from the previous semester.
- High School GPAs below a 2.5 or AVC GPAs below a 2.0 will result in MAS placement.
- A grade of a D or an F during the semester at the 5-week and quarter marks for freshman and quarter marks for 10th-12th grade students will also result in placement in MAS.
- A student who is on AVC or high school probation may be withdrawn from the program at the end of the semester if grades have not improved.

TOTAL WITHDRAWAL FROM THE SOAR PROGRAM

- If you withdraw from the SOAR program during the semester, you will be withdrawn from your AVC courses and all textbooks must be returned. If all textbooks are not returned at the time you withdraw, you will be charged the cost of replacing the textbooks.

OTHER REQUIREMENTS AND BEST PRACTICES

- The **CA College Promise Grant** must be submitted every year you are in the SOAR program. You must complete this prior to the deadline. Failure to meet the deadline can result in removal from the SOAR program.
- Any medical condition that occurs while enrolled in SOAR which may result in missing college classes must be reported to the college instructor, the high school office, and Dr. Zimmerman’s office.
- Make sure you **ALWAYS** have your college ID when conducting college business.
- Log into myAVC to make sure it works. If it does not, call the help desk at (661) 722-6300, ext. 6535 or 6605 or go to the computer lab for assistance.
- Check your AVC and district emails DAILY.
