

# DIFFERENTIATING MATH INSTRUCTION

## 30 INSERVICE POINTS

**Course Start Date: October 4, 2022**

**Course End Date: December 16, 2022**

### Content:

- This course enables educators to develop, increase, and demonstrate knowledge about how to apply the guidelines of differentiating instruction to mathematics instruction. Emphasis is on evidence-based practices structured by a responsive decision-making framework in order for all students to achieve at the highest possible level.
- Content includes how to use pre-assessment, continuous assessment, and summative assessments to design and deliver effective lessons for initial instruction in mathematics and how to effectively use flexible small group instruction to respond to individual learner needs.

### Requirements:

- Attend 3 Mandatory Zoom Meetings
- Use of computer with internet access and camera
- Submit all assignments within the course deadlines

This course satisfies the 20 points needed in SWD/ESE to renew your certification.
