

BHHS Band – Parent Alternate Travel Request

We are better together, and together we can accomplish great things. From loading, unloading and camaraderie on the bus, the students and staff build rapport when traveling together. Although we would love for all students to travel roundtrip with the band, we understand the need for alternate travel requests.

Examples of alternate travel: family dinner after the game; early morning SAT; family events out of town; other school sponsored events. If approved, students will be released to parent/guardian at the conclusion of the game/event, not after half-time. Students who leave, must take their hat box, instrument, etc. (*exceptions are percussion and sousaphones*).

For the following reason, my child will not be returning with the BHHS Band on the trip listed below: _____

I will be picking up my child after the event. BHISD is therefore not responsible for his/her return. Students will be released at the buses, to a parent/guardian only.
