

# Scarborough High School

Red Storm News Quarter 1, Semester I 2022

## Principal's Message

August 26, 2022

Dear Students, Families, and Staff,

The start of a new school year! It is a great time of year. The high school has been busy getting ready. Even though we started in the winter months, we have been hiring through August, even today a position was offered and accepted.

We had a second successful year with Summer School. A thank you to Sarah Blaisdell and Jake Brown and the teachers for this important work. Our extended school year programming was also busy for a group of our students and it seems like students and staff did a lot of great activities for a number of weeks. Other staff were in over the summer to do Professional Development work, organize new classrooms, or get moved in! Students have been here for some of the above, but also for the fall

sports season, and I've seen a number of students picking up their Chromebooks for the start of school.

Facilities have been busy too! We have a new beautiful turf field that opened up just a couple of days after the season started, but well before games begin! It looks great, and we know it is much needed for the safety of our athletes. Inside the building, we have two new classrooms completed and ready to go for STEM and Computer classes. We hope you will go see these rooms when you are here in the building. Thank you to Todd Jepson, Mike LeGage, and many others who helped with all of this facility work. We are very fortunate and grateful to be able to improve our offerings through these upgrades. This year we are planning on having the newsletter go out on the first day of each quarter, the principal's letter will go out on the first Friday of each month, and we will host a Student Meeting and a Parent Meeting once a quarter. So please get involved if you can. Open House will be from 6:00 – 8:10 PM on Wednesday, September 21. Parent – Teacher Conferences will be held on Thursday, October 6 (2:45 – 7:15 PM) and Thursday October 20 (2:45 – 5:15 PM). Look for more information about these events in this newsletter! For students especially, SPIRIT WEEK will be October 11 through 14, and the Homecoming Dance will be on Saturday, October 15 from 7:00 – 10:00 PM, it is our hope and plan that we will be indoors once again for this dance!

VISITORS TO THE BUILDING – if you are coming inside the high school for any reason during the school day, please bring a formal ID (for most of us it will be a license) so you can be checked in through our new RAPTOR safety technology. We are so pleased to be able to have a new additional method of keeping the building safe. I would like to thank you in advance for your support of the use of this new technology.

I hope to see you at some of the school start up events or on the fields watching our athletes, or for students - out at the front door in the morning or in the hallways during the day. Welcome, and welcome back! We're planning on a great school year!

See you soon,  
Susan J. Ketch

## New Staff and Friendly Faces!

(Left to right-back row) Barrett Belanger, Bill Messer, Mackenzie Crouse, Kimberly Clark, John Brennan, Lauren Lamoreau, Alison Lane, Jon McHugh, Jim Cronin, Phil Conley, Tim Ebersold  
(front) Lisa Manning, Mike Beeler

## Welcome New Staff!

Scarborough High School is excited to welcome our new staff! We are so fortunate to have so many wonderful people join our community!

### **Michael Beeler, School Resource Officer**

Mike is a graduate of Cheverus High School. After Cheverus, Mike spent 8 years with the U.S. Army and then entered USM where he received a BA in Criminology. Mike has been a member of the Scarborough Police Department since 1996.

Mike's son is a 2022 graduate of Scarborough High School. His daughter is a freshman at Cheverus High School this year. Over the past 12 years, Mike has been actively involved with the Boy Scouts and various sports teams with both of his children.

Mike enjoys hiking, kayaking, motorcycles and running.

Mike is looking forward to building new relationships with both students and staff at Scarborough High School.

### **Barrett Belanger, Resource Room Special Education Teacher**

Barrett is entering his 10th year in education, the last seven as a high school special education teacher. His experience includes developing study skills, executive functioning and small group math

instruction. He has been involved in athletics his entire career, both as a coach and an event coordinator.

Barrett attended the University of Southern Maine, where he obtained a BA in Communication. He also attended the Grand Canyon University and earned a Masters in Education.

Before becoming a teacher, Barrett began his career on television and was on a children's game show and appeared in nationally televised commercials.

Barrett taught previously at Traip Academy and also at Kennebunk High School.

Barrett's interests include health and fitness. He is also a Red Sox, Celtics, Bruins and NY Jets fan! He enjoys spending time with his family, friends and exploring with his dog.

Barrett is looking forward to joining Scarborough's strong school community!

### **John Brennan, Physics Teacher**

John joins Scarborough High School as our new Physics teacher. John holds both a BS and an MS in Mechanical Engineering. For the past 14 years, John has taught Physics at Noble High School in North Berwick. Prior to that, he taught at Lincoln Park High School in Chicago. Before becoming a teacher, John worked as an engineer for the Ford and the Caterpillar companies.

John first began his teaching career as Peace Corps volunteer, when he taught math to high school students in Benin, West Africa.

John's interests include cycling, hiking and astronomy. He is really looking forward to getting to know and working with the students in this community, as well as a new group of colleagues!

### **Kimberly Clark, Study Center Ed Tech III**

Kimberly has had several years of experience in Special Education in various districts in the Southern Maine area, including Thornton Academy, South Portland and Westbrook schools and Spurwink Services. Kimberly is originally from Canada. She enjoys art, especially drawing, as well as baking, reading and spending time at the beach.

Kimberly is looking forward to being a part of the Scarborough High School Community.

### **Phil Conley, PE and Health Teacher**

This year will mark Phil's 31st year teaching PE! Phil has also coached high school basketball for the past 28 years. He is Scarborough High School's Varsity Boys Basketball Coach.

Phil attended the New England College, where he majored in Physical Education.

He has also taught at the Mildred L. Day School, South Portland High School, Brown and Small Elementary Schools.

Phil's personal interests include spending time with his family, golfing, biking and coaching. He is also a soccer official (WMBASO) and a Lacrosse Official (MLOA).

Phil and his wife have three wonderful children: Patrick, Shannon and Kayla.

He is very much looking forward to teaching and coaching the students of Scarborough High School.

### **Jim Cronin, Business Teacher**

After a 15 year career in accounting and finance, Jim transitioned into a Middle School teaching career and has spent the last 19 years at Scarborough Middle School. He is looking forward to using his experience in both of these professions as he assumes this new role at the high school.

Jim attended Bentley University where he majored in Accounting. He also attended Rensselaer Polytechnic Institute and earned a Masters in Business Administration.

Jim's past experience includes working for Andover College, where he was the Accounting Chair, working for the Skillin School in South Portland and as stated above, teaching at Scarborough Middle School for the past 19 years!

Jim enjoys music, sports and anything outdoors!

Jim has been a Scarborough resident for the past 25 years. Jim is married and has a son who graduated from Scarborough High School in 2012.

Jim is looking forward to working with a different age group and also meeting and working with new colleagues.

### **Mackenzie Crouse, Ed Tech III, Learning Commons**

Mackenzie's background includes diverse experiences in many realms. She began her career as a Market Researcher with twelve years of experience across a buffet of industries. As such, she can bore you with random facts about everything from khakis to personal emergency response buttons, to feline cardiac disorders. She spent seven years as an Adjunct, teaching cultural and applied anthropology to students at a local university and enjoyed every second of being there too! Last year, Mackenzie had the opportunity to work with the lovely team at Wentworth School as a Building Ed Tech.

Mackenzie attended the University of Maine where she earned a BA in International Affairs and Anthropology. She also attended Oregon State where she obtained a MA in Applied Anthropology and Business.

Mackenzie has previously taught and worked in education at the University of New England (Dept. of Society, Cultures and Language). She also worked as a Market Researcher.

Mackenzie loves to read, travel and spending time with family and friends. She also loves to knit, but to date, has only successfully created rectangular items!

Mackenzie is excited to work with the team here at SHS and our students!

### **Tim Ebersold, Instrumental Music Teacher**

This will be Tim's 20th year teaching. Before coming to SHS, Tim spent the past 12 years teaching at Gorham High School.

Tim is originally from Cincinnati, Ohio. He attended Miami University and earned a BA in Music Education as well as a BA in Music Performance.

Tim has also taught grades 5-12 in Richmond, as well as at Lewiston and Gorham High Schools.

Tim's interests include music, hiking, food and Cincinnati sports!

He is looking forward to being a part of the Scarborough Community.

### **Lauren Lamoreau, English Teacher**

Lauren started teaching in Kentucky in 2013, while earning her Masters. She attended the University of Louisville, where she obtained a BA in English and minored in Religious Studies. She also attended Bellarmine University and obtained a Masters of Arts in Teaching Secondary Education.

Lauren has previously taught at Valley High School in Kentucky, St. Dominic Academy in Auburn, Maine and most recently at Sanford High School.

She enjoys traveling, running, swimming and spending time with her family. Lauren has two sweet boys, ages 4 and 2.

Lauren is looking forward to meeting new people, getting to know her students and significantly shortening her commute!

### **Lisa Manning, Administrative Assistant - Admin II**

Lisa has spent the past twenty-one years as a Building Ed Tech at Scarborough Middle School. She worked in the main office and covered various activities there. During our year of Hybrid Learning, Lisa assisted teaching 6th Grade Math and really enjoyed working in the classroom!

Lisa attended Old Dominion University, where she received a BS in Recreation. She has also worked at Westbrook High School, the Westbrook Recreation Department and Blais Funeral Home.

Lisa is the Scarborough High School JV Girls Basketball Coach. She has also coached at Cape Elizabeth High School and Gorham High School.

Lisa is married and the mother of three children, two grandchildren, two stepdaughters and three step grandchildren. Her interests include sports and coaching.

Lisa is looking forward to working with high school aged students!

**Bill Messer, Social Worker, LCSW, LADC**

Bill has worked in the mental health sector for the last 30 years, both in Residential and Day Treatment services. He worked for the Spurwink Agency as a Clinician and Program Director, providing clients with emotional, behavioral supports, with a strong focus with trauma based therapy which included individual, group and family services. The Day Treatment Program provided all related services but with a strong emphasis with Vocational and Adventure Based therapy programs for all kids transitioning into adulthood while completing their educational requirements. Bill is a strong believer in treating the "whole" client to better support personal growth and functioning in cross environments. Bill enjoys spending time outdoors with his family, including camping, sailing, hunting and traveling. He also enjoys coaching and being involved with his childrens' athletic activities.

Bill grew up on a small farm in NH, attended a boarding school for two years and spent one year abroad going to school on a 156 foot schooner. He attended school on the boat and sailed from Greece to New York and was part of the Tall Ships race in 1984.

Bill attended the University of New England for both undergraduate and graduate school. He also played lacrosse during his time at UNE. Bill has lived in Maine since graduation from UNE.

Bill is looking forward to joining a wonderful school district that has a strong emphasis on providing strong educational services while supporting students to achieve their full potential with additional support where needed. Supporting students, especially with health concerns, will be a priority to helping students position themselves to be better learners in the classroom and to live healthier lives.

**Amanda Nalls, School Psychologist**

Amanda was an Officer in the U.S. Army and served two combat tours to Iraq. Her previous experience in education includes teaching Math and Science as well as being a School Counselor.

Amanda's education included majoring in both Biology and Psychology in her undergraduate studies. She obtained a Masters in School Counseling as well as in Educational Psychology and recently her Doctorate in School Psychology. Previously, Amanda worked in Tennessee at the Holston Middle School, as well as at Morse High School in Bath, Maine.

Amanda enjoys hiking, traveling, reading and spending time with her family. She lives in Bowdoin with her husband and daughter and their two cats.

Amanda is looking forward to being a part of the Special Services team and helping students access the supports they need in our school system.

**Nicholas Neugebauer, Ed Tech, Academic Life Skills Classroom**

## Friendly Faces New Roles

**Jack Aceto**, formerly our Resource Room Case Manager, will now be our Transition Specialist.

**Chris Hayward** will be joining our Study Center to teach Math and Science and he will also teach AP Computer Science.

**Alison Lane** formerly RTI/Credit Recovery support, will now be a School Counselor.

**Jon McHugh**, formerly SHS Business Teacher, will now be an Instructional Coach.

**David Wakem** returns to SHS as an Ed Tech in the Academic Life Skills classroom.

## Clinic Notes

### CLINIC NOTES Fall 2022

**IMMUNIZATIONS:** Please send updated immunization records to the clinic whenever your student receives a required vaccine. In addition to the vaccines required for kindergarten entry, both a Tdap vaccine and one dose of MCV4 are required for all students entering 7th grade. Two doses of MCV4 are required for students entering 12th grade. If the first dose of MCV4 was administered on or after the 16th birthday, a second dose is not required.

**MEDICATIONS:** If your student requires medication that will be stored or administered in the clinic, please contact the clinic staff to plan for medication drop off. All medications administered at school require a new physician's order and written parental permission each year. Updated orders must also be on file for emergency medication such as an inhaler or EpiPen that students may be carrying. Physician orders may be faxed directly to the clinic at 730-5196

**FLU SHOT CLINIC:** We plan to partner with Northern Light Home Care again this year to offer a flu shot clinic for students in the fall. More information will follow.

**HEALTH:** Please contact the clinic staff if your child has a health issue (acute or chronic) or sustains a physical injury that may require accommodations while at school.

**Stacey Hang, RN 730-5017**

**Lisa Verzoni, RN 730-5016**

**Suzanne Kenney, Medical Assistant 730-5015**

## Date Change for SHS Flu Clinic!

The Flu Clinic to be held at Scarborough High School has been changed to October 25, 2022. It will begin at 7:30 am.

## Fall 2022 COVID Protocols

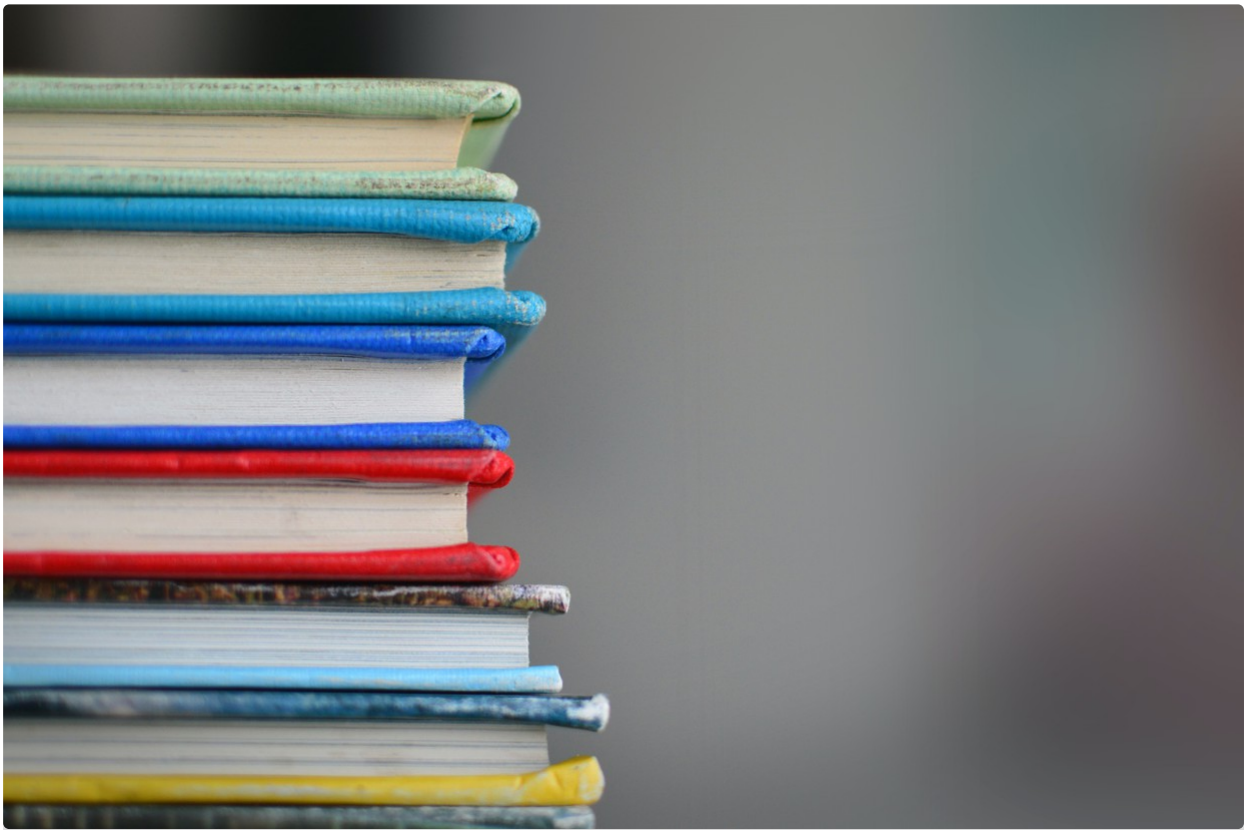

### **If your child tests positive for COVID:**

If a student develops symptoms and tests positive for COVID, they must stay at home regardless of vaccination status. They should remain home for a full 5 days from the onset of symptoms, if their symptoms are improving, they may return to school on day 6. They must wear a well-fitting mask for an additional 5 days upon their return to school.

### **What if my child is exposed to COVID, but does not have any symptoms?**

As long as your child does not have any symptoms and is testing negative, they may attend school. It is recommended that the student mask for 10 days following their exposure and remain home if they develop symptoms. The CDC removed the recommendation for close contacts to quarantine, unless they are symptomatic.

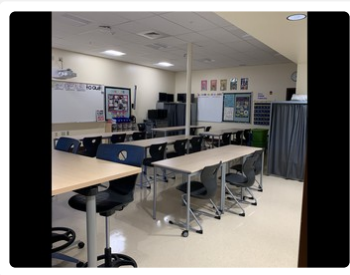

## New Classrooms!

SHS is proud to announce the completion of two beautiful new classrooms! One classroom will be for computer classes and the other classroom will be our new STEM classroom. This project was voted on and approved by the Town of Scarborough in 2020. Construction began last year and was completed over the course of this summer. We are so excited and very appreciative of these amazing spaces. We invite you to view these classrooms when you visit Scarborough High School.

## New Safety and Security System for All Visitors to SHS

Scarborough Public Schools will begin to use the Raptor Visitor Management System in all of our schools to strengthen our program of campus safety for students and staff. Part of keeping students and staff safe is knowing who is in our buildings at all times, and the Raptor system allows us to do

that. The Raptor system assists in screening visitors, contractors, and volunteers in our schools and provides a safer environment for our students and staff.

### What to Expect:

- Upon being allowed through the exterior door of a district building and navigating to the main office as you have always done, visitors will be asked to present a photo ID such as a driver's license.
- Your ID will either be scanned or manually entered into the system by office personnel at the transaction window.
- Once cleared, you will receive a pre-printed badge with your photo on it.
- You will then be directed to the appropriate location that you are going to.
- This badge must be worn at all times when in the building.
- When in the building, you are only approved to go to the specific location requested. You should not go to any other area of the building without returning to the main office for approval.
- When leaving the building, return to the main office and sign out with office personnel.

### What does the Raptor System do?

- The Raptor system checks to ensure that registered sex offenders are not entering our school campuses without our knowledge. It checks the visitor's name and date of birth for comparison with a national database of registered sex offenders. **The registered sex offender database is the only official database. No other data from the ID is gathered or recorded, and the information is not shared with any outside agency.**
- The Raptor system will also check for any court issued custodial orders, restraining orders and other custom alerts as established by the School District.
- Once entry is approved, a badge that identifies the visitor, the date, and the purpose of his/her visit will be printed and given to the visitor to wear.

The safety of our students is our highest priority, and the Raptor visitor management system allows us to quickly identify those that may present a danger to our students. Thank you in advance for your understanding and your support in enhancing the school safety protocols in our district.
