# *Course listing Guide*

## *General Information*

The information here is to serve as a guide in developing student schedules, master schedules, and other procedures related to the credit system. The Texas Education Agency publication, STATE BOARD OF EDUCATION RULES FOR CURRICULUM, is the basic manual, which is used in formulating the credit system for the Brownsville Secondary Schools. Each BISD student graduates under the graduation requirements and grade weight system in effect when he/she first entered the 9<sup>th</sup> Grade, regardless of school or school system.

### **Providing Opportunity to Participation in All Courses**

School districts shall provide each student with the opportunity to participate in all courses as prescribed by the State Board of Education. Students shall be given the opportunity each year to select courses in which they intend to participate from a list that includes all courses as designated by the State Board of Education. For those courses, with fewer than 10 students indicate that they will participate, school districts shall employ options, as directed in "Options for Offering Courses", to provide the course and shall maintain evidence. If a district is not going to offer the required courses every year, but intends to offer particular courses only every other year, the district must give notice of such fact to all enrolled students, who wish to take an elective course offered in another district high school and not in their zoned school, may be transferred to that school for one-half day. Transportation may not be available for students to participate in the various programs offered by BISD.

### **Credit Requirement for Class Placement**

Grade Level advancement for students in grades 9-12 shall be earned by state graduation course credits. Changes in grade level classification shall be made two times per year; prior to the beginning of the fall semester and at the beginning of the spring semester [EIE LOCAL]. Reclassification of students at comprehensive high schools shall be made only if the student has been retained.

NOTE: Credits must be earned the semester prior to the grade classification posting.

#### **Class Placement**

#### **Credits**

Sophomore	6 credits
Junior	12 credits
Senior	19 credits

A student, who does not meet the graduation requirements within their designated four years and one summer session, may be referred to the Brownsville Learning Academy for the subsequent year for enrollment.

Note: All high schools look at student's cohort to determine grade level in addition to number of credits earned.

## Placement of in/out of district/state/country students

### I. Students seeking enrollment within the same academic school year:

- a. Placement will be determined based on the grade level students were enrolled at the prior school district or entity.

For elementary and middle students, placement is to be evaluated at the end of the school year to determine appropriate grade placement as per FD (Local) and EIE (Legal).

*Criteria for placement may include:*

1. Scores on achievement tests, which may be administered by appropriate District personnel.
2. Recommendation of the sending school.
3. Prior academic record.
4. Chronological age and social and emotional development of the student.
5. Other criteria deemed appropriate by the principal.

### II. Students seeking enrollment without any schooling or limited schooling from the current school year or previous years:

- a. Placement will be determined by age as of **September 1**

1. Elementary School ..... **11** years old or less  
1<sup>st</sup> grade - 6 years old  
2<sup>nd</sup> grade - 7 years old  
3<sup>rd</sup> grade - 8 years old  
4<sup>th</sup> grade - 9 years old  
5<sup>th</sup> grade - 10 – 11 years old
2. Middle School ..... **12-14** years old  
6<sup>th</sup> grade or 7<sup>th</sup> grade – 12 years old  
8<sup>th</sup> grade – 13-14 years old
3. High School ..... **15** years and over

**NOTE: The Grade Level Change Form is located at the BISD Website in the Curriculum and Instruction section under the Curriculum Alignment Tab.**

### Course/Credit Validation Analysis (CVA) Service

- d. In accordance with the Texas Education Agency requirements for Award Credits (TAC §§7.102, 25.007, and 28.023, §74.26), the Brownsville Independent School District has two different methods for **out-of-country** credit validation:
  - i. BISD has implemented the **Course/Credit Validation Analysis (CVA)** procedure, which will allow the district to ensure and expedite the process to evaluate academic records or transcripts for **out-of-country** students. Such procedure entails the following:

1. Each BISD high school LUCHA Teacher and the Counseling Department in collaboration with the Bilingual Department/ Central Office/Curriculum & Instruction Department will generate an individual electronic **Course/Credit Validation Analysis (CVA)** for students coming from ***out-of-country***, who completed grades in their home country.
  2. For student coming from out-of-country, Parent/Guardian must provide Campus Counselor and the LUCHA Teacher with an official report card and/or Academic Transcript. For students coming from Mexico, documentation for **"Secundaria (7<sup>th</sup>,8<sup>th</sup> and 9<sup>th</sup>) and Preparatoria (10<sup>th</sup>-12<sup>th</sup>)"** must be submitted. In all classes, Parent/Guardian must sign the ***"CVA\_Parent's Authorization Letter"***; if deemed necessary to verify the student academic background of the student in Mexico.
  3. Once the student **BISD\_CVA** has been reviewed and approved at the Central Office, awarded academic credits must be entered into eSchool System, then the grade placement promptly in the appropriate grade level as necessary within 30 school days.
- ii. Under special circumstances, high school equivalent courses earned in Preparatoria (Grades 10<sup>th</sup> – 12<sup>th</sup>) ***may be*** analyzed and evaluated by a third-party Credit Validation System through the LUCHA Program to ensure proper class placement and to award credits for graduation plan.
- e. Each EB Schedule **MUST BE DEVELOPED ON A VERY INDIVIDUALIZED BASIS** and based on LPAC recommendations.
- f. State law governing promotion/retention criteria states in Section 28.021 of the Texas Education Code: "A student may be promoted **only** on the basis of academic achievement or demonstrated proficiency of the subject matter of the course or grade level."

**Note:** Students, who are eighteen (18) years of age or older [as per House Bill 2398] who wish to enroll in high school for the first time or re-enroll in BISD, or whose age will not permit them to graduate before their twenty-first (21<sup>st</sup>) birthday, should be counseled regarding an alternative educational option to be in compliance with the State Compulsory School age House Bill 2398.

### **Classification of Out-of-District Students**

1. The Academic Achievement Record/AAR (transcript) is important for a student's appropriate placement and continued education.
2. Out-of-District students within Texas must be enrolled under the appropriate classification placement shown in the AAR and/or withdrawal documentation as per TEA Minimum Standards AAR 2012 (d) (#1) page 13.
3. Out-of-District students within Texas must graduate under the course listing guide in effect when they entered as freshmen with their age appropriate BISD peers.
4. A school may recalculate placement based on BISD guidelines for credits for out-of-state students.
5. Parents and students must be counseled on classification status.

### **Academic Achievement Record 19 TAC Subchapter F §74.61 (a)**

Graduates of each high school are awarded the same type of diploma. The Academic Achievement Record (AAR), rather than the diploma, records individual accomplishments, achievements, courses completed and displays the appropriate graduation seals.

### **Diplomas**

BISD'S Operating Procedure is that diplomas will contain the school year in which the student is declared a graduate as per Board Approval. The actual completion date of graduation requirements is indicated on the individual AAR.

## HB5 Graduation Requirements for Brownsville ISD

**House Bill 5 (HB5):** House Bill (HB5) created a new graduation plan called Foundation High School Program that was implemented beginning in 2014-2015 school year. The graduation plan replaces the previous Minimum, Recommended and Distinguished graduation plans. All students, who are entering the 9<sup>th</sup> grade in and after the fall of 2014, will be required to select an endorsement pathway in Arts and Humanities, Business and Industry, Public Service, STEM (Science and Math) and/or Multidisciplinary.

<b>HB5 /BISD Graduation Requirements</b>
<b>State Required Core Courses</b>
English (4 credits): English I, English II, English III plus an Advanced English Course (refer to p. 12)
Math (4 credits): Algebra I, Geometry, Algebra II and an Advanced Math (refer to p. 12)
Science (4 credits): Biology, IPC and two Additional Advance Science course (refer to p. 12)
Social Studies (3 credits): World History or World Geography as well as U.S. History, U.S. Government and Economics (refer to p.13)
<b>State Required Non-core Courses</b>
Language other than English (2 credits)
Physical Education (1 credit)
Fine Arts (1 credit)
Electives (4 credits)
<b>BISD Requirements</b>
Professional Communications or Communication Applications (Speech – ½ credit)
Health (1/2 credit)
<b>Endorsement(s) – 26 credits</b>
To earn an endorsement, a student must successfully complete:
1 additional credit in math
1 additional credit in science
2 additional elective credits
<b>Distinguished Level of Achievement – 26 Credits</b>
To earn a distinguished Level of Achievement, a student must successfully complete the curriculum requirements for at least one endorsement, including 4 credits in science and 4 credits in mathematics to include Algebra II.
<b>Performance Acknowledgement</b>
A student may earn a performance acknowledgment on their transcripts in any of the following when criteria is met in that area.
<ul style="list-style-type: none"> <li>Completing at least 12 hours of college academic courses, including those taken for dual credit and advanced technical credit (refer to p.16)</li> <li>Bilingualism and Biliteracy (refer to p. 16)</li> <li>On a college AP or IB exam (refer to p. 16)</li> <li>On the PSAT, ACT – PLAN, SAT or ACT (refer to p.17)</li> <li>For earning nationally or internationally recognized industry certification (refer to p.17)</li> </ul>

## **Additional HB5 Requirements are mastered upon completion of the following:**

### **Proper Interaction with Peace Officers. Senate Bill (SB) 30, also known as The Community Safety Education Act.**

Requires the State Board of Education (SBOE) to adopt rules to include the instruction developed under TEC, §28.012, in one or more courses in the required curriculum for students in grades 9-12.

**CPR Instruction H. B. No. 897**, is integrated in the BISD Health required curriculum.

Accelerated students, who have earned multiple state high school credits prior the beginning 9<sup>th</sup> grade, may undertake advanced courses in order to continue their academic progress and meet graduation requirements, providing course prerequisites have been met.

### **Financial Aid Application Requirement HB 3 – *subject to TEA administrative rules***

Beginning in 2021-2022, each student must do one of the following to graduate:

- Complete and submit a free application for federal student aid (FAFSA)
- Complete and submit a Texas application for state financial aid (TASFA)
- Submit a signed opt-out form

This requirement applies beginning with the students enrolled in 12<sup>th</sup> grade during the 2021-2022 school year.

This requirement is integrated in the BISD Economics requirement.

FOUNDATION HIGH SCHOOL PROGRAM (FHSP) FOUNDATION  
HIGH SCHOOL PROGRAM without endorsements – 22 Credits for Students  
Entering Grade 9 in and after 2014-2015

<b>§Chapter 74.11 (d)(1)(2): A student may graduate under the Foundation High School Program without earning an endorsement if, after the student's sophomore year:</b>				
<ol style="list-style-type: none"> <li>The student and the student's parent or person standing in parental relation to the student are advised by a school counselor of the specific benefits of graduating from high school with one or more endorsements; and</li> <li>The student's parent or person standing in parental relation to the student files with a school counselor written permission, on a form adopted by the Texas Education Agency (TEA), allowing the student to graduate under the Foundation High School program without earning an endorsement.</li> </ol>				
<b>English Language Arts</b>	<b>Four English credits are required.</b>			
Two credits	Must consist of English I & English II			
One Credit	Must consist of English III, a comparable Advanced Placement (AP) English language arts course that does not count toward another credit required for graduation, or a comparable International Baccalaureate (IB) English language arts course that meets all the requirements in §110.33 of this title			
One credit may be selected from:	English IV; Independent Study In English; Literary Genres; Creative Writing; Research and Technical Writing; Humanities;	Public Speaking III; Communication Applications; Oral Interpretation III; Debate III; Independent Study in Journalism; Independent Study in Speech;	Advanced Broadcast Journalism III; Advanced Journalism: Newspaper III; Advanced Journalism: Yearbook III; HB5 English Language Arts Comparable Advanced Placement (AP) English language arts course; Comparable International Baccalaureate (IB) English language arts course;	Business English; A college preparatory English Language Arts;
<b>Mathematics</b>	<b>Three mathematics credits are required.</b>			
Two credits	Must consist of Algebra I and Geometry			
One advanced math credit After successful completion of Algebra I	Mathematical Models with Applications; Mathematical Applications in Agriculture, Food, and Natural Resources; Digital Electronics;	Robotics Programing and Design; Financial Mathematics; Applied Mathematics for Technical Professionals;	Accounting II; Manufacturing Engineering Technology II; Robotics II.	
Additional One Credit may be selected from:	Algebra II; Precalculus; Advanced Quantitative Reasoning; Independent Study in Mathematics; Discrete Mathematics for Problem Solving;	Algebraic Reasoning; Statistics; AP Computer Science A; IB Computer Science Higher Level; Engineering Mathematics;	Statistics and Business Decision Making; Discrete Mathematics for Computer Science; A comparable AP Mathematics; HB5 Math; Pursuant to the TEC, §28.025(b-5);	Pursuant to the TEC, §28.002(g-1) ; One credit of a two-credit IB mathematics;
<b>Science</b>	<b>Three science credits are required.</b>			
One credit	Must consist of Biology or a comparable AP or IB Biology course			
One credit may be selected from:	Integrated Physics and Chemistry; Chemistry; Physics;	Principles of Technology; A comparable AP or IB chemistry or physics course		
Additional Advanced Science:	Chemistry; Physics; Aquatic Science; Astronomy; Earth and Space Science; Environmental Systems; A comparable AP Science;	Advanced Animal Science; Advanced Plant and Soil Science; Anatomy and Physiology; Medical Microbiology; Pathophysiology; Food Science; Forensic Science;	Biotechnology I; Biotechnology II; Principles of Technology; Scientific Research and Design; Engineering Design and Problem Solving; Engineering Science	

## CONTINUED--- FOUNDATION HIGH SCHOOL PROGRAM (FHSP)

Social Studies	<b>Three credits are required.</b>		
Two credits	Must consist of United States History Studies Since 1877 (one credit). United States Government (one-half credit). One-half credit must be selected from the following: Economics with Emphasis on the Free Enterprise System and Its Benefits; or Personal Financial Literacy/Economics		
One credit may be selected from:	World History Studies; World Geography Studies; or A comparable AP or IB World History or World Geography course		
Languages Other than English (LOTE)	<b>Two credits.</b>		
Two credits must consist of:	Any two levels in the same language; or Two credits in computer programming languages selected from Computer Science I, II, and III.		
Physical Education	<b>One credit.</b>		
Credit may be from any combination of the following one half to one credit courses:	Lifetime Fitness and Wellness Pursuits; Lifetime Recreation and Outdoor Pursuits; and Skill-Based Lifetime Activities. Junior Reserve Officer Training Corps (JROTC);  ----- In accordance to local policy; up to one credit for any of the course listed above may be earned through participation in the following: Drill Team, Marching Band, Dance or Cheerleading.		
Fine Arts	<b>One credit. (^)</b>		
	Art, Level I, II, III & IV Dance, Level I, II, III & IV Music, Level I, II, III & IV	Theatre, Level I, II, III, or IV; Principles and Elements of Floral Design; Digital Art and Animation; and	3-D Modeling and Animation
Elective Courses	<b>Five credits including Professional Communications (1/2 credit) * and Health (1/2 Credit) **.</b>		
<b>Total Credits:</b>	<b>22</b>		

- **Chapter §74.12.(5)(B)** If a student, in completing the first credit of Languages Other than English (LOTE), demonstrates that the student is unlikely to be able to complete the second credit, the student may substitute another appropriate course as follows: Special Topics in Language and Culture; World History or World Geography for a student who is not required to complete both by the local district; another credit selected from Chapter 114 of this title; computer programming languages.
- \*BISD Required Elective: Professional Communication and/or Communication Application [SPEECH]
- \*\*BISD Required Elective: Health Education, Health Quest (1/2 credit), may be satisfied by Health I or Advanced Health, or ---one credit, which may be satisfied by Health Science CTE courses--Principles of Health Science or Health Science Theory/Clinical or Human Body Systems.
- A student, who due to disability, is unable to complete two credits in the same language in a LOTE, may substitute a combination of two credits from English language arts, mathematics, science or social studies or two credits in career and technical education or technology applications for the LOTE credit requirements. The determination regarding a student's ability to complete the LOTE credit requirements will be made by the student's ARD committee if the students receives special education services under the TEC, chapter 29 Subchapter A; or by the committee established under section 504 Rehabilitation Act of 1973 (29) United States code (USC), §794) if the student does not receive special education services under the TEC, Chapter 29, Subchapter A, but is covered under the Rehabilitation Act of 1973.
- English language arts--four credits. Three of the credits must consist of English I, II, and III. (Students with limited English proficiency who are at the beginning or intermediate level of English language proficiency, as defined by §74.4(d) of this title (relating to English Language Proficiency Standards), may satisfy the English I and English II graduation requirements by successfully completing English I for Speakers of Other Languages and English II for Speakers of Other Languages.

^ **NOTE:** The TAC allows the proportional award of credit. A student may satisfy a graduation requirement for which there are multiple options with one-half credit of one option and one-half credit of a second option, unless otherwise specified by TAC or local district policy (§74.26(d)). For example a district may allow a student to satisfy the one-credit fine arts graduation requirement by combining a half credit for a Music course with half credit of Theatre course.

**FOUNDATION HIGH SCHOOL PROGRAM (FHSP) FOUNDATION**  
**HIGH SCHOOL PROGRAM with one or more endorsements – 26 Credits for Students**  
**Entering Grade 9 in and after 2014-2015**

<b>§Chapter 74.11(e): A student may earn a distinguished level of achievement by successfully completing all of the following:</b>			
<ul style="list-style-type: none"> <li>• Four credits in math, <b>to include Algebra II</b>;</li> <li>• Four credits in science;</li> <li>• Remaining curriculum requirements of the Foundation High School Program; and</li> <li>• Curriculum requirements <b>for at least one endorsement</b>.</li> </ul>			
<b>A student must earn distinguished level of achievement to be eligible for top 10% automatic admission.</b>			
<b>Endorsement(s)</b>	<b>Students are expected to earn an endorsement(s) in one of 5 areas in STEM; Public Services, Business &amp; Industry, Arts &amp; Humanities or Multidisciplinary Studies.</b>		
<b>Each endorsement requires:</b>	<b>A 4th math credit*</b> ; a 4th science credit*; and two endorsement – specific electives. <i>*Flexibility in course selection may allow the 4<sup>th</sup> math and science credits to correlate to the endorsement area(s).</i>		
<b>English Language Arts</b>	<b>Four English credits are required.</b>		
Two Credits	Must consist of English I & English II		
One Credit	Must consist of English III, a comparable Advanced Placement (AP) English language arts course that does not count toward another credit required for graduation, or a comparable International Baccalaureate (IB) English language arts course that meets all the requirements in §110.33 of this title		
<b>**One Credit may be selected from:</b>	English IV; Independent Study In English; Literary Genres; Creative Writing; Research and Technical Writing; Humanities;	Public Speaking III; Communication Applications; Oral Interpretation III; Debate III; Independent Study in Journalism; Independent Study in Speech;	Advanced Broadcast Journalism III; Advanced Journalism: Newspaper III; Advanced Journalism: Yearbook III; HB5 English Language Arts; Comparable Advanced Placement (AP) Language Arts Course; Comparable International Baccalaureate (IB) English language arts course; Business English; A college preparatory English Language Arts;
<b>Mathematics</b>	<b>Four mathematics credits are required.</b>		
Two credits	Must consist of Algebra I and Geometry		
One credit <i>may be</i> selected from:	Mathematical Models with Applications; Mathematical Applications in Agriculture, Food, and Natural Resources; Digital Electronics; Robotics Programing and Design; Financial Mathematics; Applied Mathematics for Technical Professionals; Accounting II; Manufacturing Engineering Technology II; Robotics II.		
One credit <i>may be</i> selected from:	<b>**Algebra II</b> ; Precalculus; Advanced Quantitative Reasoning; Independent Study in Mathematics; Discrete Mathematics for Problem Solving;	Algebraic Reasoning; Statistics; AP Computer Science A; IB Computer Science Higher Level; Engineering Mathematics;	Statistics and Business Decision Making; Discrete Mathematics for Computer Science; A comparable AP Mathematics; HB5 Math; Pursuant to the TEC, §28.025(b-5); Pursuant to the TEC, §28.002(g-1); One credit of a two-credit IB Mathematics;
<b>Science</b>	<b>Four science credits are required.</b>		
One credit must consist of:	Must consist of Biology or a comparable AP or IB Biology course		
One credit must be selected from:	Integrated Physics and Chemistry; *Chemistry; *Physics;	Principles of Technology; A comparable AP or IB chemistry or physics course	
Additional credit may be selected from:	Chemistry; Physics; Aquatic Science; Astronomy; Earth and Space Science; Environmental Systems; A comparable AP Science;	Advanced Animal Science; Advanced Plant and Soil Science; Anatomy and Physiology; Medical Microbiology; Pathophysiology; Food Science; Forensic Science;	Biotechnology I; Biotechnology II; Principles of Technology; Scientific Research and Design; Engineering Design and Problem Solving; Engineering Science

\*\* Advanced Math Courses can only be taken after the successful completion of Algebra I

## CONTINUED---Foundation High School Program with Distinguished Level of Achievement

<b>Social Studies</b>	<b>Three credits are required.</b>		
Two credits	Must consist of United States History Studies Since 1877 (one credit). United States Government (one-half credit). One-half credit must be selected from the following: Economics with Emphasis on the Free Enterprise System and Its Benefits; or Personal Financial Literacy/Economics		
One credit may be selected from:	World History Studies; World Geography Studies; or A comparable AP or IB World History or World Geography course.		
<b>Languages Other than</b>	<b>Two credits.</b>		
Two credits must consist of:	Any two levels in the same language; or Two credits in computer programming languages selected from Computer Science I, II, and III.		
<b>Physical Education</b>	<b>One credit.</b>		
Credit may be from any combination of the following one half to one credit courses	Lifetime Fitness and Wellness Pursuits; Lifetime Recreation and Outdoor Pursuits; and Skill-Based Lifetime Activities. Junior Reserve Officer Training Corps (JROTC);		
	In accordance to local policy; up to one credit for any of the course listed above may be earned through participation in the following: Drill Team, Marching Band, Dance or Cheerleading.		
<b>Communication Skills</b>	<b>Half credit.</b>		
Course	Professional Communications or Communication Application**		
<b>Fine Arts</b>	<b>One credit. (^)</b>		
	Art, Level I, II, III & IV Dance, Level I, II, III & IV Music, Level I, II, III & IV	Theatre, Level I, II, III, or IV; Principles and Elements of Floral Design; Digital Art and Animation; and	3-D Modeling and Animation
<b>Endorsement Sequence</b>	<b>Four credits.</b>		
	<i>As determined by the Program of Study</i>		
<b>Other Electives</b>	<b>Two and half credits.</b>		
	Includes Health. Health*** (1/2 credit)); and Two electives.		
<b>Total Credits:</b>	<b>26</b>		

\*Required for STEM Endorsement.

\*\*BISD Requirement: Professional Communications or Communication Application (SPEECH)

\*\*\*BISD Requirement: Health Education, Health Quest (1/2 credit), may be satisfied by Health I or Advanced Health, or –one credit, which may be satisfied by Health Science CTE: courses: Principles of Health Science, Health Science Theory/Clinical, or Human Body Systems.

^ **NOTE:** The TAC allows the proportional award of credit. A student may satisfy a graduation requirement for which there are multiple options with one-half credit of one option and one-half credit of a second option, unless otherwise specified by TAC or local district policy (§74.26(d)). For example a district may allow a student to satisfy the one-credit fine arts graduation requirement by combining a half credit for a Music course with half credit of Theatre course.

## PERFORMANCE ACKNOWLEDGEMENTS

For students entering Grade 9 in and after 2014-2015

<b>§74.14 (a)(b)(c)(d)(e): Performance Acknowledgements</b>	
<b>Dual Credit</b>	<b>(a) A student may earn a performance acknowledgement on the student's transcript for outstanding performance in a dual credit course by successfully completing:</b>
	<ul style="list-style-type: none"> <li>(1) At least 12 hours of college academic courses, including those taken for dual credit as part of the Texas core curriculum, and advanced technical credit courses, including locally articulated courses, with a grade of the equivalent of 3.0 or higher on a scale of 4.0; or</li> <li>(2) An associate degree while in high school.</li> </ul>
<b>Bilingualism and Biliteracy</b>	<b>(b) A student may earn a performance acknowledgement on the student's transcript for outstanding performance in bilingualism and biliteracy as follows:</b>
	<ul style="list-style-type: none"> <li>(1) A student may earn a performance acknowledgement by demonstrating proficiency in accordance with local school district grading policy in two or more languages by: <ul style="list-style-type: none"> <li>(A) Completing all English language arts requirements and maintaining a minimum grade point average (GPA) of the equivalent of 80 on a scale of 100; and</li> <li>(B) Satisfying one of the following: <ul style="list-style-type: none"> <li>(i) Completion of a minimum of three credits in the same language in a language other than English with a minimum GPA of the equivalent of 80 on a scale of 100; or</li> <li>(ii) Demonstrated proficiency in the Texas Essential Knowledge and Skills for Level IV or higher in a language other than English with a minimum GPA of the equivalent of 80 on a scale of 100; or</li> <li>(iii) Completion of at least three credits in foundation subject areas courses in a language other than English with a minimum GPA of 80 on a scale of 100; or</li> <li>(iv) Demonstrated proficiency in one or more languages other than English through one of the following methods: <ul style="list-style-type: none"> <li>(I) A score of 3 or higher on a College Board advanced placement examination for a language other than English; or</li> <li>(II) A score of 4 or higher on an International Baccalaureate examination for a higher-level languages other than English course; or</li> <li>(III) Performance on a national assessment of language proficiency in a language other than English of at least Intermediate High or its equivalent.</li> </ul> </li> </ul> </li> </ul> </li> <li>(2) In addition to meeting the requirements of paragraph (1) of this subsection, to earn a performance acknowledgement in Bilingualism and Biliteracy, an English language learner must also have: <ul style="list-style-type: none"> <li>(A) Participated in and met the exit criteria for a bilingual or English as a second language (ESL) program; and</li> <li>(B) Scored at the Advanced High level on the Texas English Language Proficiency Assessment System (TELPAS).</li> </ul> </li> </ul>
<b>AP Test</b>	<b>(c) A student may earn a performance acknowledgement on the student's transcript for outstanding performance on a College Board advanced placement test or International Baccalaureate examination by earning:</b>
	<ul style="list-style-type: none"> <li>(1) A score of 3 or above on a College Board advanced placement examination; or</li> <li>(2) A score of 4 or above on an International Baccalaureate examination.</li> </ul>

## CONTINUED---Performance Acknowledgements (PA)

PSAT,ACT- PLAN, SAT or ACT	<b>(d) A student may earn a performance acknowledgement on the student's transcript for outstanding performance on the PSAT®, the ACT - PLAN®, SAT®, or the ACT® by:</b>
	<ul style="list-style-type: none"> <li>(1) Earning a score on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT ® ) that qualifies the student for recognition as a commended scholar or higher by the College Board and National Merit Scholarship Corporation, as part of the National Hispanic Recognition program (NHRP) of the College Board or as part of the National Achievement Scholarship Program of the National Merit Scholarship Corporation;</li> <li>(2) Achieving the designated ACT readiness benchmark scores on the subject tests on the ACT-Aspire® examination as indicated by TAC Chapter 74.14(d);</li> <li>(3) Earning the designated SAT Composite score as indicated by TACH Chapter 74.14(d); or</li> <li>(4) Earning a composite score on the ACT ® examination of 28 (excluding the writing sub score).</li> </ul>
National or Internationally Recognized Business or Industry Certification or License	<b>(e) A student may earn a performance acknowledgement on the student's transcript for earning a nationally or internationally recognized business or industry certification or license with:</b>
	<ul style="list-style-type: none"> <li>(1) Performance on an examination or series of examinations sufficient to obtain a nationally or internationally recognized business or industry certification; or</li> <li>(2) Performance on an examination sufficient to obtain a government required credential to practice a profession.</li> </ul>

\* Some courses are available across multiple grade levels. This is a recommended course crosswalk. Please refer to the dual enrollment course alignment chart for specific course eligibility and requirements. Possible course substitutions may be selected from TSC Programs of Study and BISD Board Approved Course Listing Guide.

\*\*Core Complete is subject to the approval from the receiving IHE.

## Endorsements

Students are administered a career interest inventory to determine which Career Cluster is most compatible with their skills and interests. Incoming 9<sup>th</sup> grade students are required to select the Career Program of Study graduation plan of their choice. Students can choose to follow only their Career of Study in high school or incorporate it with another field of interest such as Fine Arts, Athletics, JROTC, etc. All high school students should regularly review their Career Program of Study and graduation plans.

**BISD offers the endorsements listed below and their respective programs of study. § 74.13 Endorsements**

- (a) A student shall specify in writing the endorsement that the student intends to earn upon entering Grade 9.
- (b) A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated. This section does not entitle a student to remain enrolled to earn more than 26 credits.

# *Special Programs*

At-Risk students may receive appropriate compensatory, intensive, or accelerated instructional services upon eligibility of AT Risk criteria at the campus, which enable the students to perform at grade level at the conclusion of the next regular school term. This may include supplemental foundation enrichment courses, tutorials, district-wide summer programs, and other scientifically research-based interventions. Campuses are to document accelerated instruction and/or interventions in the student's personal graduation plan in grades 6-12 and the district mandated student management software program. Programs, such as the STARS regain of credit program, are aimed at increasing graduation rates and decreasing dropouts of at-risk students.

### **STUDENTS TAUGHT in an ALTERNATIVE ROUTE TO SUCCESS (STARS) Regain of Credit Accrual Program**

#### **General Guidelines for At-Risk Students:**

- Students are to be enrolled upon arrival.
- Student grades/transcripts must be evaluated, and the student should be enrolled in the same or comparable classes upon enrollment in BISD.
- Teachers must be provided all partial grades from the sending school to be used in calculation of the student's grade for the course.
- If the student has not been in school elsewhere, the student must be scheduled into required and elective courses appropriate for grade level and graduation plan.

**The following guidelines will be adhered for students receiving credit by district approved credit accrual programs.**

1. Eligibility: Must be identified as At-Risk, using state-defined criteria and be in danger of not graduating in four years or as a result of having previously failed a course required for graduation.
2. Program Options:
  - a. A student may acquire credits he/she lacks and may mainstream back into the regular instructional program
3. Referrals may be made by:
  - a. Parent
  - b. Student
  - c. Counselor
  - d. Administrator
4. Referrals are made to:
  - a. At Risk counselor
5. A schedule change will be recommended and made by the appropriate counselor. The counselor will also complete a STARS registration form for the receiving teacher, identifying the courses to be completed by the student.
6. Dismissal – a student may be dismissed from this programs if:
  - a. Student has completed the necessary requirements; or
  - b. Student violates the program contract.
7. Student – Teacher Ratio must not exceed 20 to 1.
8. STARS Program is not to be used to accelerate students, who are on track at the Comprehensive High School campuses.

## GRADING POLICY FOR CREDIT RECOVERY

1. The final average, when adding the module grade average and, if applicable, the final exam of the module, must equal to a 70 or better.

# *High School Testing Programs*

**State of Texas Assessments of Academic Readiness (STAAR) – End-of-course (EOC)**

Every student receiving instruction in the Texas essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B (EKB LEGAL). End-of-Course assessments include English I, English II, Algebra I, Biology, and United States History and are part of the graduation requirement for students entering Grade 9 in and after 2011-2012.

For students served by special education, the admission, review and dismissal (ARD) committee makes educational decisions for a student, including whether satisfactory performance on an EOC assessment shall also be required for graduation per Texas Administrative Code (TAC) §89.1070(b):

- STAAR - Most students will take STAAR with or without allowable accommodations.
- STAAR Alternate 2 – Is available for students with significant cognitive disabilities who access the grade-level Texas Essential Knowledge and Skills (TEKS) curriculum through prerequisite skills. Students must meet the STAAR Alternate 2 eligibility requirements to take the STAAR Alternate 2.

For all other EB(Emergent Bilingual) students in grades 9 through 12, LPAC documentation must reflect appropriate services to meet the students' needs. If the student is **not** an immigrant but is identified as EB, then the student may be reported as English as a Second Language (ESL) for funding purposes.

**Texas Assessment of Knowledge & Skills (TAKS)**

Effective beginning with the 2017-2018 school year, the Texas Assessment of Knowledge and Skills (TAKS) assessment will no longer be administered. Students for whom TAKS is a graduation requirement, including former TAAS and TEAMS examinees, may pursue one of the following options to receive a Texas high school diploma:

1. Request a district decision. An examinee should contact the school district where he or she was last enrolled to request a district decision whether the examinee qualifies to graduate and receive a high school diploma. More information about this option can be found in Senate Bill 463, 85<sup>th</sup> legislature, Regular Session, 2017. The district must maintain documentation to support the decision. Texas Administrative Code §74.1025.
2. Achieve satisfactory performance on an alternate assessment. The alternate assessments allowed for TAKS are SAT, ACT, TSI and STAAR. Former TAKS, TAAS and TEAMS examinees should take only the appropriate part of the alternate assessment he or she needs to fulfill testing graduation requirements. More information is available in the Texas Administrative Code §101.4003.
3. Has attained an industry-recognized postsecondary license or certification.
4. Provides evidence of current active duty military service or honorable/general discharge.
5. Has successfully completed college-level coursework and earned college credit.

**Texas English Language Proficiency Assessment System (TELPAS)**

TELPAS will be administered to all English Bilingual Learners to determine the learner's progress in Listening, Speaking, Reading, and Writing. TELPAS ALTERNATE will evaluate Limited English Proficient (LEP) students whose ARD Committee has determined eligibility for STAAR Alternate 2

Under the new graduation requirements adopted by the State Board of Education in March 2010, EB students, who take ESOL I and/or ESOL II to satisfy their English I and/or English requirements(s), are required to take the English I and/or English II End Of Course (EOC) exam as part of their graduation requirements. Students, who are identified as LEP and are at the beginning or intermediate level of English language proficiency, as defined by 19 TAC §74.4(d), relating to English Language Proficiency Standards, may be enrolled in ESOL I or ESOL II.

## STAAR

There is one general assessment for all students with available accessibility features and designated supports for all students who meet eligibility criteria.

The state of Texas Assessments of Academic Readiness (STAAR®) program which was implemented in Spring 2012, includes annual assessments for Reading and Mathematics grades 3-8, Writing at grades 4 and 7, Science at grades 5 and 8, Social Studies at grade 8, end-of-course (EOC) assessments for English I, English II, Algebra I, Biology and US History.

The STAAR Program includes assessments that address students receiving special education services and also for English Learners (EL's) who meet particular participation requirements.

### STAAR Assessment decision for EB's students:

- LPAC's accommodation decisions must be made on an individual student basis.
- Decisions must be based on —
  - Student's particular needs for second language acquisition support, and
  - Student is routinely provided the accommodation in instruction and testing.
- LPACs must coordinate with subject-area teachers.
- Accommodation decisions should be made as close as possible to the assessment to account for student's progress.
- Accommodation decisions for STAAR are to be made by LPACs in accordance with policies and procedures in the following:
  - 2022-2023 STAAR Decision-Making Guide for LPACs
  - Educator Guide to Accessibility within the STAAR Program (this guide takes the place of the "Linguistic Accommodations for EBs Participating in the STAAR Program" document)
  - Accommodation Policy Documents (on Accommodation Resources webpage)

### English I End-of Course Assessment Special Provision under 19 TAC 101.1007

This special provision applies to an EB **student** enrolled in an English I course or an English for Speakers of other Languages (ESOL) I course.

### English I End-of Course Eligibility Criteria under 19 TAC 101.1007

This special provision applies to an EB enrolled in an English I course or an English for Speakers of other Languages (ESOL) I course if the EB-

- ✓ Has been enrolled in U.S. schools 3 school years or less (5 or less if qualifying as unschooled asylee/refugee); and
- ✓ Has not yet attained TELPAS Advanced High reading rating in grade 2 or above.

In English I/ESOL I, these students may require substantial instructional scaffolding and accommodations, or designated supports not feasible on standardized language arts assessments.

When enrolled in an English I/ESOL I course, an eligible EB shall not be required to retake the assessment each time it is administered if the student passes the course but does not pass the test.

Notes:

- Students are not exempt from testing while in the course.
- Provisions do not apply to English II or English III.
- This provision is not tied to any particular graduation plan.
- Generally, eligibility for the special provision must be established and documented each time a potentially eligible ELL takes (or retakes) a course covered by this special provision. However, if the student fails a spring course and re-enrolls in the course in the subsequent summer or fall, the LPAC is not required to meet again to re-establish eligibility. Eligibility in spring carries over to summer and fall.

### **EBs with Parental Denials**

LPACs may not recommend designated supports, special assessment considerations, or accountability provisions for an EB, whose parents have denied bilingual or ESL services.

This includes:

- No accommodations or designated supports
- No testing in Spanish
- No English I special provision
- No unschooled asylee/refugee provisions

### **Individual Graduation Committee (IGC)**

Students, who are in grade 11 or 12 during 2014 – 2015 through present year and have taken and have failed to achieve the end-of-course (EOC) assessment performance requirements for graduation for not more than two courses, are eligible for Individual Graduation Committee (IGC) review. TEC. 28.0258 (a) and (l); 19 Tex. The IGC was extended to September 1, 2023.

### **Oral Language Proficiency Test (OLPT)**

**OLPT 1-3:** Students, who score 1-3 (Pre-Emergent, Emergent, Basic Performance level), will be placed in courses according to LPAC guidelines and the District's course sequence for EB students.

**OLPT 4 & 5:** Students, who score 4 to 5 (Intermediate or Proficient Performance level) in an English OLPT will be identified as English Proficient Students. (Fluent). Foundation High School Program graduation plans are the goal for all students, including ESL students. Graduation plan development and updates for ESL students should be the result of the collaborative efforts of students, parents, counselors, teachers and LPAC committees.

### **HB 4545 Accelerated Instructional Committees**

HB 4545 establishes new requirements for Accelerated Instruction for students who do not pass the STAAR. See more information on Accelerated Instruction (AI) and Accelerated Instruction Committees at [tea.texas.gov/Texas-schools/health-safety-discipline/covid/accelerated-learning-resources](https://tea.texas.gov/Texas-schools/health-safety-discipline/covid/accelerated-learning-resources)

## Assessment for Program Placement, Progress and Exit

<b>STAAR</b> State of Texas Assessments of Academic readiness	<b>TAKS</b> Texas Assessment of Knowledge and Skills (No longer being administered)
End-of-Course assessments (English I, English II, Algebra I, Biology and United States History) are part of the graduation requirement for students entering Grade 9 in and after 2011-2012.	Effective beginning with the 2017-2018 school year, the Texas Assessment of Knowledge and Skills (TAKS) assessment will no longer be administered. Students for whom TAKS is a graduation requirement, including former TAAS and TEAMS examinees, may receive a diploma if they request a district decision or achieve satisfactory performance on an alternate assessment.
<b>OLPT</b> Oral Language Proficiency Test	<b>TELPAS &amp; TELPAS ALTERNATE</b> <i>Texas English Language Proficiency Assessment System</i>
<p>This test may be used in conjunction to provide a complete assessment of listening, speaking, reading and writing skills. It provides information needed for both ESL program entry, progress, and exit information.</p> <p><b>First Grade:</b></p> <ul style="list-style-type: none"> <li>If a student receives a <b>1, 2 or 3</b> proficiency level in <b>either</b> Speaking and/or Listening, they are to be classified as an <b>EB</b>.</li> <li>If a student receives a <b>4 or 5</b> proficiency level in <b>BOTH</b> Speaking and Listening – they are to be considered Fluent (not identified as an EB)</li> </ul> <p><b>2<sup>nd</sup> – 12<sup>th</sup> Grade:</b></p> <ul style="list-style-type: none"> <li>If a student receives a <b>1, 2 or 3</b> proficiency level in <b>ANY</b> domain/subtest: Speaking, Listening, Reading and/or Writing, they are to be classified as an EB.</li> <li>If a student receives a <b>4 or 5</b> proficiency level in <b>ALL</b> domains/subtests: Speaking, Listening, Reading and Writing, they are to be considered Fluent (not identified as an English learner)</li> </ul>	<p>TELPAS &amp; TELPAS ALTERNATE are designed to measure annual growth in the English listening, speaking, and writing proficiency of second language learners, and will be adjusted as needed to ensure a strong link between academic language proficiency as defined by TELPAS and academic achievement as defined by STAAR <b>TAC §101.1001</b>. An English Language Learner as defined by the Texas Education Code, Chapter 29, Subchapter B, shall take the TELPAS annually until the student exits the program.</p>

### Out-of-State Exit Level STAAR/EOC

This testing opportunity is available for migrant students. Counselors need to contact the Migrant Education Office At (956) 698-1742 to make necessary arrangements. A student, who has failed to demonstrate mastery of one or more State Assessments of the STAAR/EOC examinations, shall be required to retake the examination during subsequent administrations until mastery is demonstrated.

The following guidelines shall apply:

1. A student failing to demonstrate mastery shall be required to retake only the subtest(s) in which mastery was not demonstrated in any preceding administration of the test.
2. Any high school senior, enrolling in the district schools during or after the annual administration of the tests, shall be required to demonstrate mastery by taking the test at its next administration or by providing evidence of mastery from the sending Texas School District.

**Fitness Assessment:** An annual fitness assessment is required for all students in grades 3-12.

### **Correspondence Courses and Distance Learning.**

The Brownsville Independent School District shall follow the mandates as set forth in Chapter §74.23.

1. Courses can only be taken from the University of Texas at Austin, Texas Tech University, or another public institution of higher education approved by the commissioner of education
2. Students, considering a correspondence course or distance learning must contact a counselor;
3. The principal shall set the date and time for correspondence course examinations;
4. Courses shall be used for emergency or enrichment only and should not be substituted for residence work;
5. Students, selecting this option, are limited to 4 credits for meeting the State's graduation requirements;
6. Fees are to be paid by the student; and
7. All correspondence and distance learning courses are Level One weight as outlined in the BISD Grading Policy.

### **Credit by Examination with Prior Instruction**

Credit by Examination will follow the guidelines set by Rules for Curriculum, §74.24 "Prior instruction" in reference to Credit by Examination. Prior instruction is equal to any instruction a student has had prior to taking a Credit by Examination test. It also includes failed instruction (example: student fails a course and wants to regain credit) and instruction received in another country (example: foreign students taking a Credit by Examination to advance to the next sequential course). The District will recognize results of a test from Texas Tech University or The University of Texas at Austin. Contact your respective counselor for more information.

**A NON-REFUNDABLE deposit for each test must be paid by the student when registering for the Credit by Examination.** The campus counselor will provide the student the cost amount required for the deposit. The principal will approve a student as eligible to apply for Credit by Examination upon the request of the campus counselor;

1. Scores on such examinations will be recorded only if the student gains credit by scoring 70% or higher with each semester being independent of each other;
2. Students may use Credit by Examination to fulfill their course requirements; however, they are still required to take the STAAR EOC assessments to fulfill their testing requirements for students, who enter in or after 2011-2012.
3. No STUDENT will be penalized by having a failing grade recorded on their transcript.
4. Only a passing score on the CBE may be averaged with a BISD grade;
5. Upon written approval of the principal, a student, who has excessive absences, may be permitted to earn or regain course credit through Credit by Examination; and
6. Credit by Examination shall not be used to gain eligibility for participation in extracurricular activities.

### **Credit by Examination for Acceleration with No Prior Instruction**

The Brownsville Independent School District allows BISD students in secondary academic courses to earn credit for a course on a basis of credit by examination for acceleration. Quarterly testing windows are January 1 to March 31, April 1 to June 30, July 1 to September 30 and October 1 to December 31. BISD does not charge for the exams for acceleration. The district administers examinations developed by Texas Tech University.

Testing and awarding of credit guidelines follow the State Board of Education Rules as stated in the Texas Education Code, Code § 28.023.

BISD students interested in Credit by Examination for Acceleration with no prior instruction should contact the BISD Assessment/Research/Evaluation Department.

### **TSIA (Texas Success Initiative Assessment)**

The Texas Legislature mandates that students be assessed in reading, writing, and math skills before enrolling in any college-level coursework. The TSI is the instrument used for this mandate and is offered at all middle schools and high schools. For information on these tests and/or exemptions, students should contact their counselor and/or program counselor.

# *Grading, Awarding Credit & Ranking of High School Students*

<b>Grade Weight Systems</b> <b>Students Entering Grade 9 in and after the 2019-2020 school year.</b>		
<b>LEVEL I</b>	<b>To include ELA core, Math core, Science core, and Social Studies core courses as outlined in TEA Chapter 74 subchapter B that are not designated as AP, Honors, Dual Enrollment, and PLW.</b>	
	100 90-99 80-89 70-79 Below 70	4.0 3.0-3.9 2.0-2.9 1.0-1.9 0
<b>LEVEL II</b>	<b>To include all ELA core, Math core, Science core, and Social Studies core courses as outlined in TEA Chapter 74 subchapter B that are designated as Honors.</b>	
	100 90-99 80-89 70-79 Below 70	5.0 4.0-4.9 3.0-3.9 2.0-2.9 0
<b>LEVEL III</b>	<b>To include all AP, Project Lead the Way, Dual Enrollment, and approved Concurrent Enrollment Courses.</b>	
	100 90-99 80-89 70-79 Below 70	6.0 5.0-5.9 4.0-4.9 3.0-3.9 0
<b>LEVEL IV</b>	<b>*To include all AP exam scores of 3, 4, or 5. Applies to Middle School, 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> Grades</b>	
	100 90-99 80-89 70-79 Below 70	7.0 6.0-6.9 5.0-5.9 4.0-4.9 0

**\*Students enrolled in an AP course:**

Students enrolled in high school **AP courses** as freshmen, sophomores, or juniors in and after 2011-2012, who score a 3, 4 or 5 on an AP exam, will receive Level IV course weight after the AP scores are received in late July in accordance with all BISD Policies. Any freshman, sophomore, or junior who challenges the AP exam and passes with a score of 3, 4, or 5 will receive a Level 4 grade weight for the AP course (Exception: HS credit earned in MS prior 2019-2020 school year). Level 4 weight is awarded to an AP course when the AP exam is taken during the same school year as the AP course. If the AP exam is a retest or taken during a different school year, the AP courses don't receive the added weight.

**Students enrolled in Dual Enrollment and challenge an AP exam:**

A student enrolled in dual enrollment course may challenge the AP exam related to the dual enrollment course and will receive the Level IV GPA weight for a passing score of a 3, 4, or a 5 if they meet one of the following criteria.

- 1) Students enrolled in a fall semester or a year-long dual enrollment course must challenge the AP exam the academic year they take the dual enrollment course. These students must commit to the AP exam during the fall semester by the deadline determined by the College Board.
- 2) Students enrolled in a spring semester or summer school dual enrollment courses have until the spring semester of the following academic year to challenge the AP exam and have a passing score count on their GPA. These students must commit to the AP exam during the fall semester after having completed the dual enrollment course by the deadline determined by the College Board.

If a dual enrollment student challenges the AP exam after the above stated time frames and receives a passing score, Level IV GPA weight will not be awarded. ***The dual enrollment teacher should work with the campus Dean of Instruction and the AP teachers to explain the above options to their students and to have the Commitment Form completed.***

**\*\* Courses that will not count for GPA weight will be designated with a course number containing a U within the course number.**

**Students who are granted college credit by an IHE for passing an AP exam may request their credit be transcribed to a BISD transcript for high school credit.**

- It is the student's responsibility to present the AP passing score/ AP transcript to the IHE for review and award of credit.
- BISD credit will be awarded equivalent to the BISD Course Listing Guide crosswalk for dual enrollment courses.
- The grade recorded on the BISD transcript when only credit is awarded by the IHE will be based on the AP Conversion Chart as reflected in the BISD Course Listing Guide for the year the student entered high school.
- The student will be awarded level IV grade weight for the course equivalent for the AP test passed and a level III weight for any additional college credits granted by the IHE.
- Students must submit the IHE transcript to their BISD Counselor within the BISD GPA/Rank timeline for calculation. Requests submitted after the GPA/Rank deadline will be calculated in the subsequent calculation and ranking timeline.
- The course will be posted in semester 2 of the year the student passed the AP exam.

## I. Grade Weight System

### A. Ranking of Students in Alternative Settings

Brownsville Academic Center students will be ranked at their home campus.

### B. Out-of-District Conversion Table:

#### 1. Out-of-District Numerical Grades with Conversion Table from Sending District

- When CONVERTING GRADES FROM Out-of-District transcript on which a grade conversion table is printed, the Out-of-District printed scale shall be used.
- In the event that the sending district awarded credit for a grade below 70, the student will receive a 70.

#### 2. Out-of-District Letter Grades without Conversion Table from Sending Districts:

On Out-of-District transcripts on which no conversion table exists, grades shall be converted as follows:		
A+	=	100
A	=	96
A-	=	90
B+	=	89
B	=	86
B-	=	80
C+	=	79
C	=	76
C -	=	70
D+	=	69
D	=	66
D-	=	60
F	=	59
P	=	P ; only awarding of 0.5/1.0 credit will occur. No GPA points will be awarded unless it has been clearly designated.

### C. Honor Roll Specifications

1. "A" Honor Roll: The combined average of all courses must be 89.5 or above for current marking period/semester only.
2. "B" Honor Roll: The combined average of all courses must be 79.5-89.4 for current marking period/semester only.
3. Use of honor roll is an individual campus option.

### D. Grading

If the grade average of the 2 half units is 70 (69.5) or above, the student will receive credit for the full unit. If the average of the 2 half units is below 70 (69.5), the student will receive credit only for the half unit that he/she passed. If a half unit grade is below 70 (69.5), the failed half unit must be repeated for credit.

E. Course (s) Averaging

1. Averaging of STARS Courses with Regular Courses: Regular courses require a passing grade of 70%; STARS courses require a 70% to pass. STARS courses can be averaged with regular courses. Courses (Part A and Part B) must be taken the same year for computerized averaging purposes. If not taken the same year, averages and credit must be computed by hand and entered into computer.
2. Averaging of Advanced Placement Courses with Regular Courses: AP courses can be averaged with regular courses. Since AP courses differ in service ID numbers and grade weight level from regular courses, averages and credit must be computed by hand and entered into computer system.
3. Honors and Regular Courses: Honors courses can be averaged with regular courses. Honors courses carry the same service ID numbers as regular courses, but the grade weight level is different; therefore, averages and credit must be computed by hand and entered into computer system.
4. When grade averaging the Honors, AP and DE portion of the course will receive a Level Two or Three grade weight accordingly, and the regular course portion will receive a Level One grade weight.
5. The computer system will average semester courses within the same school year. For courses taken during different school years, average and credit must be computed by hand and entered into computer system.
6. If a student is denied credit (NC) by another school district for a course taken, BISD will not re-average that school district's grades. However, a BISD grade can be averaged with another school district's semester grade (whichever is appropriate) to benefit the student.

F. The following applies to all students:

1. Grades, transferred from a Texas public school, are granted equivalent credit if proof is provided that the course met regular, Honors, GT/AP requirements, and college courses. Grades, transferred from private schools or public schools outside of Texas, carry Level One weight unless a definite equivalent level is so indicated by the transferring district. Students who entered high school in 2019-2020 and THEREAFTER, will follow the BISD 2019-2020 Grade Weight System to be awarded course transfer weight.
2. Approved Dual Enrollment courses taken at Institutes of Higher Education carry Level Three grade weight.

G. Students, who challenge an Advanced Placement Exam and pass without being enrolled in the corresponding AP course, will use the following table to determine term grade.

**AP Conversion for  
incoming 9<sup>th</sup> grade students  
2021-2022 and beyond**

Advanced Placement Score	
Score 5	100
Score 4	95
Score 3	90

**AP Conversion for  
incoming 9<sup>th</sup> grade students  
2017-2018 thru 2020-2021**

Advanced Placement Score	
Score 5	100
Score 4	90
Score 3	80

#### H. §74.26. (b) Languages Other Than English (LOTE) Award of Credit

For students who are able to successfully complete the second or higher level LOTE course, districts may also award credit for the lower level course(s) by verifying that the student has demonstrated that the requirements of both level courses have been successfully met. This is possible only in LOTE courses because the levels are based on increasing proficiency and the knowledge and skills of the lower level course(s) are subsumed within each upper level course. This award of credit is applicable for all students currently enrolled in the 2019-2020 school year and THEREAFTER.

#### Flow Chart for AP Spanish Exam Credit

Student Descriptor	Pathway
Currently enrolled BISD High School Students who take the AP Spanish Language and Culture Exam	If a student is enrolled in the AP Spanish Language and Culture Course, the student will receive credit only for Spanish I Honors, Spanish II Honors, and Spanish III Honors. The student will also receive Spanish Language and Culture AP credit and grade point average (a total of 4 credits will be awarded).
	These credits will be awarded in the following instances: 1) The student is enrolled in the course and passes the course and the AP exam; 2) The student is enrolled in the course and passes the course but fails the AP exam; or, 3) The student is enrolled in the course and fails the course but passes the AP exam.
Currently enrolled BISD high school students who challenge the AP Spanish Language and Culture exam without taking the AP Spanish Language and Culture course	If the student is enrolled in the AP Spanish Language and Culture course and fails the course and the AP exam, zero credits will be awarded.
	If a student <b>challenges and passes</b> the AP Spanish Language and Culture exams with a score of 3, 4, or 5, the student will receive credit only for Spanish I Honors, Spanish II Honors, and Spanish III Honors. The student will also receive Spanish Language and Culture AP credit and grade point average (a total of 4 credits will be awarded).
	If a student <b>challenges and fails</b> the Spanish Language and Culture AP exam, zero credits will be awarded.

### Flow Chart for Dual Enrollment Spanish

Student Descriptor	Potential Pathways
Currently enrolled BISD High School Students who take dual enrollment Spanish 2313 and/or Spanish 2315 and pass both dual credit courses	<p>Students who take dual enrollment Spanish 2313 and pass the college course will receive 1 weighted high school credit for Spanish III. Students may receive unweighted credit for Spanish I and Spanish II if not previously taken. A total of 3 high school credits may be awarded.</p> <p>Students who take dual enrollment Spanish 2315 and pass the college courses will receive 1 weighted high school credit for Spanish IV. Students may receive unweighted credit for Spanish I, Spanish II, and Spanish III if not previously taken. A total of 4 high school credits may be awarded.</p>

## II. Grade Point Averages (GPA)

### A. Students who entered high school in the 2018-2019 school year and PRIOR:

All courses are included in computing GPA/Class Ranking except repeated course(s) that were previously completed successfully. BISD is on a weighted scale of 4.0. Level IV includes all AP exam scores of 3, 4, or 5 and carries a higher grade point weight than Level III, Level II or Level I courses. Level III courses carry a higher grade point weight than Level II or Level I courses. Level II courses carry a higher grade point weight than Level I courses.

Beginning Spring 2021 and THEREAFTER, students in a 10<sup>th</sup> period band may choose from the following options:

1. 10<sup>th</sup> period weighted course section
2. 10<sup>th</sup> period unweighted course section

A form must be completed by student and signed by parent/guardian and be submitted to the grade level counselor.

### B. Students who enter high school in the 2019-2020 school year and THEREAFTER:

The following courses will be averaged into the grade point average (GPA) as outlined in **TEA Chapter 74. Curriculum Requirements Subchapter B. Graduation Requirements:**

- English Language Arts Core
- Mathematics Core
- Science Core
- Social Studies Core
- All Advanced Placement Courses

- **All Dual Enrollment Courses**
- **All Project Lead the Way Courses**

Any repeated course from those listed above that was previously **successfully** completed, will be assigned as a local credit course and will not carry any GPA weight. BISD is on a weighted scale of 4.0. Level IV includes all AP exam scores of 3, 4, or 5 and carries a higher grade point weight than Level III, Level II or Level I courses. Level III courses carry a higher grade point weight than Level II or Level I courses. Level II courses carry a higher grade point weight than Level I courses.

**C. Students who enter high school in the 2020-2021 school year and THEREAFTER:**

All high school core area courses (aforementioned in letter B) taken in middle school will appear on the high school transcript and will be figured into the students' high school grade point average (GPA).

**NOTE FOR A, B, and C:** All repeated courses will be assigned a corresponding "LC course" with course level set to zero and RANK FLAGS set to blanks.

- D. An "NC" due to excessive absences will be figured into a student's GPA as zero grade points. At such time as the "NC" is removed, the grade points will be figured into the student's GPA at the next ranking calculation.
- E. Out-of-district transfer students (as defined in III. A-D only) will have their grade point averages recalculated based on BISD guidelines. An out-of-district student, who enrolls at the beginning of a semester, will have his or her GPA and rank recalculated according to BISD procedures and will be co-ranked alongside a BISD student with a cumulative GPA calculated at the current campus, which is manually entered into the Student Information System. [EIE Local} Out-of-district courses that are not identified in the CLG will be evaluated by the Curriculum Department to assign course weight.
- F. Procedures outlined in the Brownsville Independent School District Course Listing Guide regarding the three top students of the graduation class remain in effect.
- G. The following will be used to break grade point average ties:
  - 1. In case of ties for top 10% graduating honor students, calculate to the fourth decimal point (No rounding).
  - 2. In case of continued ties, use cumulative scholastic averages.  
Cumulative scholastic average is defined as:
    - a) Average of all grades since grade 9 without grade weight; and
    - b) Exclusion of high school courses taken and successfully completed in middle school.
  - 3. In case of continued ties, count number of Level **Three** courses successfully completed throughout the students' entire high school career.
- H. A BISD student, who transfers from one BISD campus to another BISD campus, will retain the GPA and rank earned at the previous school. The counselor from the previous campus will verify GPA and rank. Upon completion of the actively enrolled semester, the student will be ranked at the current campus.
- I. The District may award a student credit for completing a college-level course at an accredited college or university that is not in a partnership program with the District. Award of credit shall be based on Curriculum & Instruction Administrator approval in accordance with District guidelines. (EHDD Legal/Local).
- J. Texas Performance Standards Project: Students enrolled in GT labeled courses at the high school level, are required to complete a project under the Texas Performance Standards Project. It is recommended that the student and teacher work on the topic titled "Pursuit of Passion". However, 29 other topics are available, and any one may be chosen for the project. Expectations and project procedures can be found on the TEA Gifted and Talented website at the following link: <https://www.texaspsp.org/>

### **III. Ranking**

- A. All students will be ranked for final class placement at the end of the first Semester based on fall enrollment grade level classification for end-of-year recognition purposes.
- B. 11<sup>th</sup> grade students GPA's/Ranks will be re-calculated at the beginning of their senior year for the purpose of Top 10 Percent Eligibility for college admission.
- C. All graduates will be ranked with their respective grade level as per the number of credits classification standards as specified by the Course Listing Guide.
- D. To be ranked as one of three top students of the graduation class, the student must:
  - 1. have met the number of credits classification standard as specified by the Course Listing Guide.
  - 2. have completed two years in a BISD high school.
  - 3. be enrolled the fall and spring semester of his/her senior year on the campus from which he/she graduates (exception: migrant students).
  - 4. be enrolled four consecutive years in high school.
- E. Class Ranking Timeline: The Guidance and Counseling Department will annually develop the High School Class Ranking Timeline in accordance with legislative mandates.
- F. Out-of-District transfer students (as defined in III. A-D only) will have their grade point averages recalculated based on BISD Guidelines.

### **IV. Out-of-District Students**

- A. Credit will be awarded in accordance with the BISD and State of Texas graduation requirements, Texas Education code, and PEIMS listings to any student transferring into the Brownsville Independent School District from a Regionally Accredited School (i.e., Southern Association Accreditation), International Baccalaureate Program or a public/private United States accredited school system. Beginning in 2006 - 2007, graduation credits may be awarded to EB identified students for courses taken in Mexico and have been validated and awarded) using the BISD Credit Validation Analysis of a third-party company Program.
- B. Credit for concurrent enrollment and/or dual enrollment approved by the high school principal prior to course enrollment will be awarded based on the Texas Education Code guidelines, the High School Course Listing Guide approved annually by the Board of Trustees, The Community College General Academic Course Guidelines Manual (see exceptions listed in IA), and Concurrent Enrollment or Tech-Prep Agreements with state approved universities or colleges.
- C. Section 28.021 of the Texas Education Code (TEC) requires advancement or credit to be awarded on the basis of "academic achievement" or demonstrated proficiency of the subject matter. Therefore, all other students (out-of-country, home school, and non-accredited private school) will be required to take:
  - 1. Credit by exam tests; or
  - 2. Credit for acceleration testsfor all courses for which credit is required, prior to the awarding of credit. Credit awarded through credit-by-exam and credit-for-acceleration will receive Level I rank unless the course is recognized as an Advanced Course as per T.A.C. Chapter 74. Details regarding credit-by-exam and credit-for-acceleration can be found in the High School Course Listing Guide approved annually by the Board of Trustees.  
TEA FAQ #36 (10/31/2011): What are the STAAR graduation requirements for students, who earn credit by examination? Student may use credit by examination to fulfill their course requirements; however, they are still required to take the STAAR EOC assessments to fulfill their testing requirements.

- D. Foreign Exchange Students are eligible to receive a Texas diploma, but they shall complete all high school graduation requirements under 19 TAC 74.11 or 74.41, as applicable, to satisfy state and local graduation requirements. Foreign Exchange students, enrolled in BISD schools, will comply with BISD procedures for awarding of credit to out-of-district students. Grade level classification of Foreign Exchange students is based on age appropriateness.
- E. The Brownsville Independent School District allows credits for meeting the State's graduation requirement through correspondence courses. The State of Texas recognizes correspondence courses only from the University of Texas at Austin, Texas Tech Correspondence Student program or the Extension Division of Texas Tech University unless the correspondence courses were already listed on incoming students' transcripts.
- F. Exceptions to these procedures must be approved by the Superintendent of Schools.

#### **Minimum Class Attendance Requirements for Credit in Courses:**

Any student, with less than 90% attendance of the required number of days that a class is offered, shall be subject to loss of credit in the course(s), where excessive absences have been recorded. Credit may be received if the student meets the provisions of the standardized no-credit policy and is approved for credit by an attendance committee, composed of a teacher, a counselor, and an administrator. The student may appeal the decision of the campus attendance committee to the Superintendent. The Superintendent may hear the appeal or refer the case to a District Attendance Committee. If the outcome of the hearing with the Superintendent or the District Attendance Committee is not to the student's satisfaction, the student may appeal the decision to the Board in accordance with FNG (LOCAL).

#### **High School Courses Credit at Middle School Level**

Students, enrolled in middle school courses for high school credit, must complete and demonstrate proficiency (70% or higher) to receive partial or full high school credit.

- A. Courses for High School credit will count in meeting the high school graduation requirements. (Full and partial credits will be honored.) Students are required to take the respective End of Course exam (EOC).

The Brownsville ISD Honors Program offers preparatory classes for students interested in taking Advanced Placement courses. The Advanced Placement Program offers college level courses that teach skills and concepts that prepare students for AP exams. The AP exam passing score may earn college credit for the course(s) depending on the requirements of the university. Students must meet the following criteria in order to be placed in the BISD Honors and AP Program:

- Have at least an 85 average from the most recent grade in the specific academic discipline for non-Honors/AP class or have passed the previous Honors/AP class with an 80 average.
- Have passed all required state assessments at the required level (see page 43).

All Honors/AP students must complete an **Honors and Advanced Placement Application** for initial entry into the Honors and AP Program.

Once enrolled, every Honors/AP student must have the following forms in place per course:

1. Program Expectations and Course Agreement
2. AP Exam Commitment Form (only for AP Courses)

**These forms are annual and must be in place for each Honors and AP course a student takes.**

All students, who enroll in an AP class, are **required** to take the AP exam in May. The agreement will be distributed and maintained by the teacher of record. Students enrolled in the Honors and AP course sequence, are expected to enroll in AP or Dual Enrollment courses during their high school years of study.

**NOTE:** Alternate route to Honors/AP admission requires the form: **Letter of Recommendation by the Campus Administrator**

All students taking an AP course in an academic core area will receive a Level III course number and grade weight for GPA and class ranking purposes. Any freshman, sophomore, or junior who passes an AP exam with a score of 3, 4, or 5 will receive a Level IV grade weight for the AP course in academic core areas. The level change will occur after AP results are received by the campus and/or the District in late July.

A student may challenge **up to 3 AP exams** without being enrolled in the corresponding AP course. All students will be responsible for a deposit of \$13 per AP exam and will be refunded after taking the AP exam. A student challenging an AP exam without being in the AP course must meet **all** prerequisites for the AP course associated with the AP exam. This includes grade level and course prerequisites.

**NOTE:** For grade weight clarification, refer to Grade Weight Systems Table on page 32.

### **AP Course Audit Information**

All schools wishing to label a course “AP,” must complete and return the subject specific AP Course Audit form along with the course syllabus for each teacher to the College Board. Within two months of submitting the AP Course Audit materials, schools will receive authorization for qualifying courses to use the “AP” designation on student transcripts.

Only approved AP courses may be offered at a campus. In order to offer AP courses, campuses must fill out an AP Courses Request form and have it approved by the Administrator for Curriculum and Instruction and the Administrator for Advanced Academics. In order for the requested AP courses to be approved, the campus must:

1. Have a teacher qualified to teach the AP course, meaning the teacher has met all District requirements for teaching an AP course (attended an AP institute for the requested course, have completed their 30 GT core hours, have an approved syllabus by the College Board, and maintain their required 6 hours of GT annually.
2. Request any AP course not already found in the District's course listing guide one School year prior to offering the new AP course.

For complete information, including resources designed to assist educators throughout the submission process, visit <http://apcentral.collegeboard.com/courseaudit>.

### **Entrance Criteria - High School Honors\*\***

New Course	New Course Pre-Requisites
Honors English I	85+ in prerequisite course Masters in most recent STAAR Reading test <del>Meets Expectations in most recent STAAR Writing test</del>

**\*\*Honors courses are the replacement class for Pre-AP.**

### **Top 10 Percent Eligible for Automatic College Admission**

#### **EXPLANATION OF AUTOMATIC COLLEGE ADMISSION AND CURRICULUM REQUIREMENTS FOR FINANCIAL AID FOR HIGH SCHOOL STUDENTS**

In accordance with the Texas Education Code (TEC) , §51.803, a student is eligible to a Texas Public college or university as an undergraduate student if the student earned a grade point average in the top 10 percent of the student's high school graduating class or in the percentage of qualified applicants that are anticipated to be offered admission to the University of Texas at Austin\*, and the applicant;

- (1) Successfully completed the requirements for the Recommended High School Program (RHSP) or the Distinguished Achievement Program (DAP);
- (2) Earned the distinguished level of achievement under the Foundation High School Program; or
- (3) Satisfied ACT's College Readiness Benchmarks on the ACT assessment or earned on the SAT assessment a score of at least 1,500 out of 2,400 or the equivalent.

High school rank for students seeking automatic admission to a general academic teaching institution is determined and reported as follows.

- (1) Class rank must be based on the student's rank at the end of the 11th grade, middle of the 12th grade, or at high school graduation, whichever is most recent at the application deadline.
- (2) The top 10 percent of a high school class cannot contain more than 10 percent of the total class size.
- (3) The student's rank must be reported by the student's high school or school district as a specific number out of a specific number total class size.
- (4) Class rank shall be determined by the school or school district from which the student graduated or is expected to graduate.

A student is considered to have satisfied the course requirements of the RHSP, DAP, or the distinguished level of achievement under the Foundation High School Program if the student completed the portion of those programs that was available to the student but which the student was unable to complete because the courses were unavailable as a result of circumstances not within the student's control.

#### **To qualify for automatic admission an applicant must**

- (1) submit an application before the deadline established by the Texas college or university to which the student seeks admission; and
- (2) provide a high school transcript or diploma that indicates whether the student has satisfied or is on schedule to satisfy the requirements of the RHSP, DAP, or the distinguished level of achievement under the Foundation High School Program or the portion of the requirements of those programs that was available to the student.

Texas colleges and universities are required to admit an applicant for admission as an undergraduate student if the applicant is the child of a public servant who was killed or sustained a fatal injury in the line of duty and meets the minimum requirements, if any, established by the governing board of the college or university for high school or prior college- level grade point average and performance on standardized tests.

\* The University of Texas at Austin (UT) is not required to automatically admit applicants in excess of 75% of its enrollment capacity for first-time resident undergraduate students. Should the number of applicants who qualify for automatic admission exceed 75% of enrollment capacity, UT must provide notice of the percentage of qualified applicants that are anticipated to be offered admission.

### **Additional Resources**

For the complete text of this statute, please refer to the Texas Education Code (TEC), §51.803, available online at <http://www.statutes.legis.state.tx.us/Docs/ED/htm/ED.51.htm#51.803>.

For questions related to the Automatic Admission policy, please visit the Texas Education Agency's Automatic College Admission webpage at <http://www.tea.state.tx.us/index2.aspx?id=2147485632>.

**A list of state colleges and universities appears in TEC §61.003(3), general academic teaching institutions, available online at <http://www.statutes.legis.state.tx.us/Docs/ED/htm/ED.61.htm#61.003>.**

### **§61.1201. Notification of Automatic College Admission.**

- (a) In accordance with the Texas Education Code (TEC), §28.026, a school district shall provide each student, at the time the student first registers for one or more classes required for high school graduation, with a written notification of the substance of the TEC, §51.803, concerning automatic college admission.
- (b) No later than the 14th day after the last day of classes for the fall semester or an equivalent date in the case of a school operated on a year-round system, a school district shall provide each eligible senior student under the TEC, §51.803, and each student enrolled in the junior year of high school, who has a grade point average in the top ten percent of the student's high school class, and the student's parent or guardian, with a written notification of the student's eligibility for automatic college admission. The written notification shall provide a detailed explanation in plain language of the substance of the TEC, §51.803, using the form developed by the Texas Education Agency.
  - 1. The notification form to be used by school districts is provided in this paragraph entitled "Notification of Eligibility for Automatic College Admission.
  - 2. A school district shall obtain written acknowledgement of receipt of the notification from each eligible student and the student's parent or guardian.

# *Personal Graduation Plans*

## PERSONAL GRADUATION PROGRAMS

### Students Entering Grade 9 in 2014-2015 and THEREAFTER

Principals must designate a school counselor or school administrator to review personal graduation plan options with all students entering grade 9, together with the student's parent or guardian. All students must have a personal graduation plan. Before the end of the school year, the student and his parents must confirm and sign a personal graduation plan, which must identify a course of study that promotes college and workforce readiness, career placement and advancement, and facilitates the student's transition from secondary to postsecondary education. Personal Graduation Plans will be reviewed by student and counselor annually. Students may change their personal graduation plans, but if they do, their school must send written notice to their parents.

- (a) A principal of a junior high or middle school shall designate a guidance counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan for each student enrolled in the (a) junior high or middle school who:
- (1) Does not perform satisfactorily on an assessment instrument administered under Subchapter B, Chapter 39; or
  - (2) Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level nine, as determined by the district. (b) A personal graduation plan under this section must;
- (1) Identify educational goals for the student;
  - (2) Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
  - (3) Include an intensive instruction program described by Section 28.0213;
  - (4) Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
  - (5) Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, on-line instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.
- (b) This section applies beginning with the 2014-2015 school year.

- SECTION 12. (a) The heading to Section 28.0212, Education Code, is amended to read as follow: Sec. 28.0212. JUNIOR HIGH OR MIDDLE SCHOOL PERSONAL GRADUATION PLAN.
- (b) This section applies beginning with the 2014-2015 school year.

SECTION 13.

(a) Sections 28.0212 (a) and (b), Education Code, are amended to read as follows:

(a) A principal of a junior high or middle school shall designate a guidance counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan for each student enrolled in the (a) junior high or

(,-) middle (, or high) school, who:

- (1) Does not perform satisfactorily on an assessment instrument administered under Subchapter B, Chapter 39; or
- (2) Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level nine, as determined by the district.

(b) A personal graduation plan under this section must:

- (1) Identify educational goals for the student;
- (2) Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
- (3) Include an intensive instruction program described by Section 28.0213;
- (4) Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
- (5) Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, on-line instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

(c) This section applies beginning with the 2014-2015 school year.

SECTION 14.

(a) Subchapter B, Chapter 28, Education Code, is amended by adding Section 28.02121 to read as follows:

Sec. 28.02121. HIGH SCHOOL PERSONAL GRADUATION PLAN.

- (a) The agency, in consultation with the Texas Workforce Commission and the Texas Higher Education Coordinating Board, shall prepare and make available to each school district in English and Spanish information that explains the advantages of the distinguished level of achievement described by Section 28.025 (b-14) and each endorsements described by Section 28.025 (c-1). The information must contain an explanation:
- (1) concerning the benefits of choosing a high school personal graduation plan that includes the distinguished level of achievement under the foundation high school program and includes one or more endorsements to enable the student to achieve a class rank in the top 10 percent for students at the campus; and
  - (2) that encourages parents, to the greatest extent practicable, to have the student choose a high school personal graduation plan described by Subdivision (1).

NOTE: All BISD Middle School Students will enter into the 9<sup>th</sup> Grade with a Personal Graduation Plan in Conjunction with the aforementioned policy.

### **I. Identification of Students Requiring a Personal Graduation Plan (PGP)**

The principal shall designate a guidance counselor, teacher, or other appropriate staff member to develop a Personal Graduation Plan (PGP) for each student identified under TEC §28.0212. At a minimum, this list includes:

- Students, whose test scores did not meet the passing standard on the required state assessment(s) in the previous school year and who are now enrolled in a middle, junior or senior high school.
- Students, who are not acquiring credits at a rate sufficient to graduate before September 1 of the fifth year of high school.

### **II. Requirements for the PGP**

A personal graduation plan must:

1. identify educational goals for the student;
2. include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. include an intensive instruction program described by Section 28.0213;
4. address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability (TEC §28.0212).

**For students receiving special education services, the Personal Graduation Plan is developed by the ARD Committee as part of the Individual Education Program in accordance to TEC §29.005.**

### **III. Intensive Program of Instruction (IPI)**

For students identified under TEC §28.0212, who do not perform satisfactorily on an assessment instrument, the school district will design and place students in an intensive instruction program intended to (1) enable the student to the extent practicable to perform at the student's grade level at the conclusion of the next regular school term or attain a standard of annual growth specified by the district and reported by the district to the Texas Education Agency, and (2) if applicable, carry out the purposes of Section 28.0211.

**For students receiving special education services, the Intensive Program of Instruction (IPI), is developed by the ARD committee as part of the Individualized Education Program.**

### **IV. Ongoing Evaluation of the Academic Progress**

The timeframe for monitoring and providing intervention activities and other evaluation strategies should be determined by the school principal's designee.

### **V. Parent/Guardian Participation**

The importance of parent/guardian participation and input into the child's education is highly valued. Therefore, the PGP should address participation of the student's parent or guardian including the parent's or guardian's educational expectations for the student. The signatures of all persons involved in the decision-making process participation should be documented.

\*All BISD High School Students are required to have a Personal Graduation Plan in Conjunction with the above mentioned policy.

282341(2)	Applied Music II (Piano) GT	U82341	03154300	9-12	1/2	Applied Music I and Meet Program & GT Criteria
282351(2)	Applied Music III (Piano)	U82351	03154400	9-12	1/2	Applied Music II (Piano )
282361(2)	Applied Music III (Piano) GT	U82361	03154400	9-12	1/2	Applied Music II (Piano ) & Meet GT Criteria
282371(2)	Applied Music IV (Piano)	U82371	03154500	9-12	1/2	Applied Music III (Piano )
282381(2)	Applied Music IV (Piano) GT	U82381	03154500	9-12	1/2	Applied Music III (Piano ) & Meet GT Criteria
275091(2)	AP Music Theory		A3150200	9-12	1/2	Meet Honors/AP Criteria Concurrent enrollment in band, or estudiantina, or choir

## Program of Study: Dance

As per HB5, PE credit may be earned through completion of any Texas Essential Knowledge and Skills based course that meet the requirement in subparagraph (E) of this paragraph for 100 minutes of moderate to vigorous physical activity per five-day school week. Therefore, students may receive PE credit through dance, ballroom, and color guard courses.

Course #	Course Description	U Number	State ID	Grade	Per Unit Credit	Prerequisites
274671(2)	Dance I*	U74671	03830100	9-12	1/2	Meet Program criteria

## HEALTH/PHYSICAL EDUCATION

Course Number	Course Description	Grade	Per Unit Credit	Prerequisite(s)
<b>Health or Health Quest:</b> ½ Local credits required for graduation for students, who enter Grade 9 in and after 2010 – 2011. ½ State credit mandated by local graduation requirements for students, who entered Grade 9 in and after 2010 – 2011. May be satisfied by Health I or Advanced Health, or Health Science CTE courses – one credit, which may be satisfied by Principles of Health Science or Health Science Theory/Clinical. These may be taken for elective credit.				
U73776	Health	9-12	1/2	None
<b>Physical Education: Requirement for graduation is ONE credit (1).</b>  A student who is unable to participate in physical activity due to disability or illness may substitute an academic elective credit (English Language Arts, Mathematics, Science, or Social Studies) or a course that is offered for credit as provided by the TEC, §28.002 (g-l), for the physical education credit requirement. The determination regarding a student's ability to participate in physical activity will be made by the Section 504 committee or the student's ARD committee. As per HB5, PE credit may be earned through completion of any Texas Essential Knowledge and Skills based course that meet the requirement in subparagraph (E) of this paragraph for 100 minutes of moderate to vigorous physical activity per five-day school week. Therefore, students may receive PE credit through dance, ballroom, Drill Team, Marching Band, Vocal Ensemble, and color guard courses.				
Course Number	Course Description	Grade	Per Unit Credit	Prerequisite(s)
U84201(2)	Lifetime Recreation and Outdoor Pursuits	9-12	1/2	None
U74381(2)	Lifetime Fitness and Wellness Pursuits	9-12	1/2	None
U74391(2)	Skill-Based Lifetime Activities	9-12	1/2	None
<b>NOTE:</b> UIL rules specifically prohibit students from being enrolled in more than one physical education and/or athletic class; Exception (with local school approval): PE Class: Adventure/Outdoor Education; PE Substitute: JROTC, Cheerleading, Drill Team, Marching Band.				
<b>Athletics: May be counted as PE credit if taken during the regular class periods and scheduled for regular PE activities.</b>

#### Courses in Partner PE

Partner Physical Education/Peer Tutor is a success oriented physical education program featuring supervised peer tutors and individualized learning and instruction. The focus of the course is to encourage a variety of physical fitness activities, increased knowledge of health and fitness strategies and assist in the acquisition of individual and team lifetime recreational skill and activities.

Peer Partner – Prerequisite: PPE Application, interview and instructor approval.

Students must submit an application to become a peer tutor. Parent and student must sign a permission form allowing the student to become a peer tutor.

Course Number	Course Description	Grade	Per Unit Credit	Prerequisite
274363 U74363	Peer Assistance for students with disabilities I	9-12	1/2	Application approval

*Dual Enrollment  
at Institutes of  
Higher Education*

### **Dual or Concurrent Enrollment through the Early College High School**

A BISD high school student may earn college credits through the district's Early College School Program (ECHS). Students may begin participating in the program beginning 9<sup>th</sup> grade provided they meet all criteria for participation determined by the institute of higher education (IHE) through which the course is undertaken. This includes college admission, Texas Success Initiative (TSI), and other course prerequisite requirements.

Currently, BISD IHE partners include Texas Southmost College (TSC) and the University of Texas Rio Grande Valley (UTRGV), and Texas State Technical College (TSTC.)

College credit may be earned either through dual courses or concurrent enrollment. Dual enrollment means the student is earning high school and college credit simultaneously and undertakes the course at a BISD high school campus. The majority of the courses offered in BISD for dual credit are taught at the high school campus by district instructors, who are approved by the IHE partner. Other modalities for dual credit in BISD include courses taught by IHE adjuncts, Saturday and evening courses and online options.

Concurrent enrollment means the student takes a college course through an IHE on his/her own while enrolled in high school. The student may or may not receive high school credit. Credit for a concurrent course is determined by the district course alignment chart for each of the IHE partners located in this document. In order for a student to receive high school credit (dual) taken concurrently, the student must request high school credit by completing all required district forms.

As per Texas Administrative Code Title 9, Part 1, Chapter 4, Subchapter G: An ECHS that has notified the Commissioner in accordance with 4.154 of this title (relating to Notification of Instructional Intent to Develop an Early College High School) may allow its eligible students to enroll in more than two dual credit courses per semester. An ECHS may allow its eligible students to enroll in dual credit courses with freshmen, sophomore, junior or senior high school standing.

**Dual Credit or Concurrent Enrollment** means the process by which a high school student enrolls in a college course and receives simultaneous academic credit for the course from both the college and high school.

#### **Concurrent Enrollment Programs [TAC Title 19, Part 2, Chapter 4, Subchapter 2]**

The program that provides the outreach, student learning and support programs for students who will attain college credit simultaneously while enrolled in high school. Concurrent enrollment refers to a circumstance in which a student is enrolled in more than one educational institution (including high school and a college).

# *Programs of Study*

## Career & Technical Education

The BISD Career & Technical Education (CTE) Department offers programs of study derived from **14** Career Clusters, which are recognized at the state and national levels. CTE programs prepare students to be college and career-ready by providing core academic skills, employability skills and technical, job-specific skills. CTE courses combine rigorous academics with relevant career education. When schools integrate academic and technical education, students can see the “usefulness” of what they are learning. This system also facilitates a seamless transition from secondary to postsecondary opportunities. This initiative uses the 16 federally defined Career Clusters of the States’ Career Clusters initiative ([www.txcte.org](http://www.txcte.org)) as the foundation for restructuring how schools arrange their instructional programs.

The 14 career clusters are aligned with the following House Bill 5 Graduation Endorsements:

Endorsement	STEM	Business & Industry	Public Services	Multidisciplinary Studies
<b>Career Clusters</b>	<ul style="list-style-type: none"> <li>STEM</li> </ul>	<ul style="list-style-type: none"> <li>Agriculture, Food &amp; Natural Resources</li> <li>Architecture &amp; Construction</li> <li>Arts, A/V Technology &amp; Communications</li> <li>Business, Marketing &amp; Finance</li> <li>Hospitality &amp; Tourism</li> <li>Information Technology</li> <li>Manufacturing</li> <li>Transportation, Distribution &amp; Logistics</li> </ul>	<ul style="list-style-type: none"> <li>Education &amp; Training</li> <li>Health Science</li> <li>Human Services</li> <li>Law and Public Service</li> </ul>	<ul style="list-style-type: none"> <li>4 Advanced courses* that prepare a student to enter the workforce successfully or postsecondary education without remediation from within one endorsement area or among endorsement areas that are not in coherent sequence</li> </ul>

*\*Students may earn a Multidisciplinary Studies Endorsement in CTE by taking the 2<sup>nd</sup>- 4<sup>th</sup> CTE courses in respective programs of study as these courses qualify as Advanced CTE courses.*

### Endorsement/Program of Study Declaration of Intent

Students are required to declare an Endorsement and Program of Study (POS) in writing. Declaration of Intent forms are available at respective high schools. The signature of the student and the parent is required in order to participate in a CTE program. Students must make a commitment to stay in the program for a minimum of one school year. Students who wish to change their Program of Study are required to consult with their academic counselor and present the reason for the change. The approval and signature of the student, parent, and academic counselor will be required.

**NOTE:** Changes to a program of study may affect completion of respective graduation endorsement.

### Industry Certifications

BISD students have the opportunity to earn industry certifications that meet TEA College, Career, and Military Readiness (CCMR) Accountability standards. Some industry certifications are offered at the home campus while others are offered at the CTE Certification Center. For a complete list of industry certifications and corresponding graduation cord offered by the BISD CTE Department, please refer to [www.bisd.us/cte](http://www.bisd.us/cte). Students must meet respective industry certification criteria. This includes state and national requirements set forth by certifying entities. ([https://tea.texas.gov/Academics/College, Career, and Military Prep/Career and Technical Education/Industry-Based Certification Resources](https://tea.texas.gov/Academics/College,_Career,_and_Military_Prep/Career_and_Technical_Education/Industry-Based_Certification_Resources))

### **Project Lead the Way**

BISD campuses offer Project Lead the Way (PLTW) curriculum in the following areas: engineering, biomedical science and computer science. PLTW empowers students to develop and apply in-demand, transportable skills by exploring real-world challenges.

### **Experiential Learning**

Experiential learning includes activities such as guest speakers, job shadowing, industry panelist presentations, industry field trips, college/university visits, practicum/internship site assignments, and paid career preparation opportunities. CTE students have the opportunity to participate in experiential learning activities as part of their program of study curriculum.

### **Graduation Cords**

Students have the opportunity to earn a CTE graduation cord upon successful completion of a program of study. Please refer to [www.bisd.us/cte](http://www.bisd.us/cte) for specific requirements.

### **Scheduling Guidelines**

Listed below are scheduling guidelines for CTE courses offered at both home campuses and the CTE Certification Center. Campus Career Placement Officers (CPOs) are the point of contact for all CTE scheduling questions.

- **Course prerequisites and recommended prerequisites** – Listed in this BISD Course Listing Guide (CLG) are recommended prerequisites and TEA required prerequisites, which are identified by an asterisk (\*). A program of study follows a coherent sequence of courses in order to meet all objectives, knowledge, and skills in respective coursework.
- **Program of Study** – Please refer to campus CPO for CTE endorsements and program of study availability, course sequence, substitutions, and course numbers.
- **CTE Certification Center** – The programs offered at the CTE Center are listed below and are available to all BISD high school students.
  - During choice slip “window”, students are provided with information and the opportunity to submit a “course request form” for respective CTE Certification Center programs.
  - Students must meet respective program criteria to enroll in certification programs.
  - Campus CPOs receive CTE Center master schedule details for teacher and student scheduling at home campus.

<b>1-Year Programs (12<sup>th</sup> grade)</b>	<b>2-Year Programs (11<sup>th</sup> &amp; 12<sup>th</sup> grade)</b>
<ul style="list-style-type: none"><li>• Emergency Medical Technician</li><li>• Patient Care Technician</li><li>• Pharmacy Technician</li><li>• Certified Personal Trainer</li></ul>	<ul style="list-style-type: none"><li>• Cosmetology</li><li>• Barbering</li><li>• Pipefitting/Welding</li><li>• Building Trades (Construction)</li><li>• Electrical Technology</li><li>• Robotics &amp; STEM</li></ul>

- **Career Preparation Courses**- A Career Preparation class section (period) requires one coordination period with a maximum of two coordination periods per teacher. Each class section must have a minimum of 15 students and maximum of 25 students.

Teachers assigned to the Career Prep course are required to do the following

- Develop training plans for each student enrolled in career prep course;
- Conduct site visits a minimum of once per six weeks per student; and
- Maintain communication with current and future employers.

- **Course Numbers** – Listed below are guidelines for CTE course numbers.
  - *U- numbers* – course numbers for cohorts 2023 and 2024 that are non-PLTW (unweighted)
  - *PLW* – course numbers for all cohorts scheduled into Project Lead the Way courses (Level 3 GPA)
  - *SPL* – course numbers for all STAMP & SPACE students scheduled into Project Lead the Way courses (Level 3 GPA)
  - *Non- Articulated* – course numbers for cohorts 2021 and 2022 (Level 1 GPA)
  - *Academy (non-articulated)* - CTE classes for cohorts 2021 and 2022 (Level 1 GPA)

- **§74.1003. Industry-Based Certifications for Public School Accountability**

Beginning in the 2022-2023 school year, certifications recognized for the purpose of public school accountability shall meet the following criteria.

- (1) Certification. A certification is defined as a validation or license that indicates an individual possesses certain industry-specific skills and that meets two or more of the following criteria:
  - (A.) the certification is related to the performance requirements of a career or occupation, measured against a set of industry-accepted standards, and not dependent upon a particular curriculum or program;
  - (B.) the certification is earned by successfully completing an assessment that demonstrates an individual's proficiency of the prescribed standards; or
  - (C.) the certification is a time-limited credential that must be maintained through ongoing professional training and/or testing requirements.
- (2) Industry recognized and valued.
  - (A.) A certification is industry recognized and valued if the certification is:
    - (i.) referred to the Texas Education Agency (TEA):
      - (I.) by the Texas Workforce Commission (TWC) as part of the inventory of industry-recognized credentials approved by the industry-based certification advisory council authorized by Texas Labor Code, §312.002; or
      - (II.) directly using a process identified and implemented by TEA and published on the TEA website if the certification is not referred to TEA by TWC under subclause (I) of this clause; and
    - (ii.) determined to be valued by a representative sample of employers, as demonstrated in at least one of the following ways:
      - (I.) inclusion of the certification in job postings as required or highly recommended;
      - (II.) use of the certification as a factor in selecting candidates for an interview or for hire; or
      - (III.) offer of higher pay for individuals who possess the certification.
  - (B.) If a determination of value under subparagraph (A)(ii) of this paragraph is not made prior to referral under subparagraph (A)(i)(I) of this paragraph, TEA may use a third-party organization with expertise in gathering information from employers related to the value of industry-based certifications to directly contact groups of employers and report to TEA regarding whether the standards under subparagraph (A)(ii) of this paragraph have been met.

- (3) Attainable by a high school student. All eligibility requirements such as age and experience can be met and the certification awarded before or within the summer after a student's high school graduation.
- (4) Portable. The certification can:
  - (A.) be transferred seamlessly to postsecondary work through acceptance for credit or hours in core program courses at an institution of higher education;
  - (B.) be counted toward hours in an aligned apprenticeship program;
  - (C.) be part of a prescribed coherent sequence of industry-recognized credentials to show progressive skills development; or
  - (D.) support employment in more than one region of the state.
- (5) Certifying entity. The assessment of the knowledge and skills required to obtain the certification is provided by or determined by an independent, third-party certifying entity using predetermined standards for knowledge, skills, and competencies.
- (6) Capstone or end-of-program. A certification assessment is taken at the culmination of a single high school course or multiple related courses within a secondary program of study. There must be at least 50% overlap between the certification assessment standards and:
  - (A.) the essential knowledge and skills for a secondary course aligned to the career cluster associated with the certification assessment; or
  - (B.) the applicable essential knowledge and skills for a set of courses within a program of study in a secondary career and technical education program

CTE Endorsements and Programs of Study are listed in the next sections. In order to complete a program of study and graduation endorsement, students should be scheduled into a CTE course each year. In addition, students may enroll in more than 1 program of study. If schedule permits and there is availability, students are also encouraged to enroll in an elective CTE class (ex: first course in program of study sequence or stand-alone CTE course).

# STEM ENDORSEMENT

***Career Cluster: Science, Technology, Engineering & Mathematics (STEM)***  
***Program of Study: Engineering (Project Lead the Way – PLTW)***  
***Supplemental Requirement Group: ST-EN***

Course Number	Course Name	Grade Level	Per Unit Credit	BISD Recommended Prerequisites TEA Required Prerequisites*
PLW101(2)	PLTW Introduction to Engineering Design	9-12	1/2	None
PLW111(2)	PLTW Engineering Science	10-12	1/2	PLTW Introduction to Engineering Design
PLW121(2)	PLTW Digital Electronics <i>or</i>	11-12	1/2	PLTW Engineering Science
PLW141(2)	PLTW Civil Engineering and Architecture	11-12	1/2	PLTW Engineering Science
PLW131(2)	PLTW Engineering Design and Development	11-12	1/2	PLTW Engineering Science and 2 additional PLTW Engineering Courses
300161(2) U00161(2)	Practicum in STEM	12	1.5	Enrollment in Certification Program
301791(2) U01791(2)	Career Preparation I	12	1.5	Minimum of 2 POS Courses
301641(2)	Engineering Mathematics (Recommended 4 <sup>th</sup> Math – non-PLTW, Level 1 GPA)	11-12	1/2	Algebra II*

### Work-Based Learning CTE COURSES

The CTE Career Preparation Courses listed below are offered to **all CTE students**. Career Preparation provides opportunities for students to participate in a learning experience that combines classroom instruction with paid business and industry employment experiences and supports strong partnerships among school, business, and community stakeholders. The goal is to prepare students with a variety of skills for a fast-changing workplace. The Career Prep Course may be selected as the final course in respective sequence for CTE endorsement/program of study.

STAMP offers the Science, Technology, and Medical Professions (STAMP) College Preparatory Academy at all 6 high schools (Hanna, Lopez, Pace, Porter, Rivera, and Veterans).

STAMP Entrance Requirements include:

- Student's entrance requirement is to complete and pass 8<sup>th</sup> grade Algebra.
- Students must be in the 8<sup>th</sup> grade and be promoted to the 9<sup>th</sup> grade.
- Students must submit an application packet and be accepted.
- Students must meet expectations on the required mandated state assessments for promotion.

More information may be found on the STAMP website @ [www.bisd.us/stampspace](http://www.bisd.us/stampspace)

### **STAMP Core Courses**

#### **STAMP Requirements (9<sup>th</sup> – 12<sup>th</sup> Grade):**

- Complete and turn in the summer readings at the beginning of each school year.
- The STAMP curriculum consists of all advanced classes; therefore, all core area classes must be taken Honors/AP or Dual.
- STAMP students must follow the sequence of courses listed in the Course Listing Guide.
- Every school year, STAMP students must meet the eligibility criteria for the Honors Program.
- STAMP students cannot make up classes through credit recovery, STARS, summer school, or any type of modules.
- STAMP students must be placed in the STAMP cohort.
- Any STAMP student, who is failing a core area class at the end of the year, will be removed from the STAMP academy.
- A STAMP student is able to furlough for a semester if the course is not being offered and with the approval of the STAMP Administrator.

Course Number	Course Description	Grade	Per Unit Credit	Prerequisite(s)

Fine arts programs of study develop multiple capabilities for understanding and deciphering the challenges of our complex world. There are five fine arts programs of study: Instrumental Music, Choral Music, Visual Arts, Theatre Arts, and Dance. The purpose is to give students an opportunity to focus on developing their talents, understanding and exposure in their preferred program of study. These courses will prepare students for any career in the Arts. The Fine Arts programs of study listed below are aligned with the following House Bill 5 Graduation Endorsements:

Endorsement	Arts & Humanities
Programs of Study	<ul style="list-style-type: none"><li>• Music (Instrumental &amp; Choral)</li><li>• Visual Arts</li><li>• Theatre Arts</li><li>• Dance</li></ul>

### Brownsville ISD Three-Year Graduation Program Overview

Below is a three-year option schedule for Brownsville ISD students to graduate in a three-year time frame with an endorsement and earn the Distinguished Level of Achievement Diploma.

It will require the following:

- 1) It is recommended Algebra I be taken in the 8<sup>th</sup> grade.
- 2) It is recommended students complete LOTE credits through credit by exam, challenging the AP exam or taking courses at the middle school level for high school credit.
- 2) English III may be taken concurrently with English IV or other Advanced English Course.
- 3) Two advanced science courses must be taken during the 11<sup>th</sup> grade; and
- 4) Two endorsement credits must be taken during the 11<sup>th</sup> grade.
- 5) Two advanced Math Courses taken during 10<sup>th</sup> grade
- 6) Students are encouraged to take advantage of dual enrollment opportunities during the summer.

#### Three year graduation plan for Distinguished Level of Achievement with endorsement

Discipline	8 <sup>th</sup>	9 <sup>th</sup>	10 <sup>th</sup>	11 <sup>th</sup>	Total Credits
English	English I	English I/II	English III/English IV	English III / Advanced English	4
