# Pollinator Garden Planting Day

Join the Heritage PTO and Justin Kroening, owner of Stone Silo Prairie Gardens, as we transform the rock garden near the bus parking lot into a thriving native plant garden!

**Sign up to help from  
10-12 or 12-2**

## What should I bring?

- Gardening gloves
- Water Bottle
- Gardening tools (optional)

This pollinator habitat will not only support our local birds, bees, and butterflies, but will also provide hands-on learning opportunities for our students, as well as a perfect spot to unplug and enjoy the beauty of nature!

*This project is made possible by a generous donation from Stone Silo Prairie Gardens*
