

## Principal Update 9/2/2022

# International Community School News

## Hello ICS Families!

Welcome to a new school year. The staff and I are ready to greet you on Tuesday morning! I know students are eager to see class schedules. We will finish working on the schedules tomorrow and they will be available on Skyward on Monday, September 5. Please print or take a photograph of your schedule.

**All students must attend the classes on their schedules.** We are a small school and schedule changes are challenging; however, if you want to be considered for a change, please follow the process described below. You do not have a change until it is confirmed by a counselor. Thank you for your patience as we begin another year together!

## Schedule Change Requests

Although we do try our best to get you the schedule you want, it does not always work out the way we hope. This year, to streamline the schedule change requests that we receive, we ask that students fill out the forms below for all schedule change requests. These forms will be available on Tuesday, September 6, 2022, at 7am. We will process the requests in the order that we receive them and work to complete them in a timely manner. We will only accept schedule change requests via the following forms. No emailed requests will be considered. Thank you for your patience!
