

Attention

Parents of 3 Year Olds!

Spots are available in our new Three Year Old Blended classes!

Three year old children **from the community** are eligible to attend a high-quality, fee-based Pre-K program in certain Volusia County elementary schools.

The child must be at least 3 years old by September 1st of the enrolling school year & not eligible for VPK. Children with an Individualized Education Plan (IEP) for the program may enter upon their 3rd birthday.

What is a Three Year Old Blended Class?

A Three Year Old Blended Class is an inclusive class that serves typically-developing children and children with disabilities in the same classroom.

What are the hours of the program?

The hours of the blended program are the same as a regular school day.

What is the cost? **\$285/month**

Payment is made through FACTS (an online tool that manages payment for schools.)
