

Falcon Dancers

Falcon Dancers is a club for students in 2nd-4th grade. The club will give students the opportunity to learn dances from around the world. The object of the club is for children to explore and express their own and others' cultures by sharing their stories through dance.

The club will focus on learning different styles of dance from around the world. Members will learn the Chinese fan dance, a Latin salsa dances and if time permits another dance will be learned. Students do not need prior dance class experience. However, they do need to have rhythm and coordination.

Students will be expected to memorize the dances and practice at home. Members will have the opportunity to perform at Falcon Pep Rallies and other school & district events.

Practices will be on Wednesdays from 3:45-5:00pm beginning September 21st. This is a year-long commitment and members are expected to attend all practices. Since this is a performance-based club, **attendance is essential.** If your child misses more than 2 practices, they will be dismissed from the club.

Students are expected to have good citizenship at school and during practices. Continuous redirection and less than satisfactory behavior will not be tolerated. Students may be removed from the club at any time due to poor conduct.

There will be a costume fee of \$20 for each member. We are accepting a maximum of 24 students. Also, all dancers must buy black

ballet shoes in addition to the \$20 costume fee. If your child is accepted, more information will be sent home regarding dress attire.

If your child would like to join, please fill out the sign-up form attached and return it with your student by Thursday, September 15th. Please return forms to Mrs. Hendrix. Families, please keep this page for your records. We will be communicating through our Falcon Dancers Dojo and it is important that it is checked. Videos of our dances, updates, cancellations of practice, performance information, etc. will be posted on our Dojo. Please make sure you set your phone to receive alerts.
