

Falcon Dancers

There are several factors that will determine who will be chosen to represent our school as a Falcon Dancer. The factors are based on teacher recommendation, promptness to turn in form, grades and overall conduct. Our dancers are leaders of the school and it is important that they strive to be leaders in all aspects.

Students can be removed from the club at any time due to poor conduct at school and during practices. Students are expected to maintain a passing grade in all classes. Dancers must be committed to attend all performances at the school or district events, for example Toys for Tots. We will be using Dojo to communicate and the guardians of the dancers must join Dojo. We will send the guardian a message if your child has earned a strike. Three strikes and your child will be dismissed from the club. Dance teaches self-expression, self-control, healthy habits and discipline. We have set these high expectations for our dancers to help build their character.

Thanks,

Mrs. Hendrix & Mrs. Luu
