Prepared by: Joanna Whitlock Streets

Date: 05/03/2022

Committee Name: 5<sup>th</sup> Grade Farewell Fundraising / Corporate Rewards  
Committee Chair(s): Joanna Whitlock Streets  
Co-Worker(s): Christie Schoen, Erin Gentzle, Lorraine May

**What We Accomplished and When:**

5<sup>th</sup> Grade Farewell: Combined events raised ~ \$3K as of 05/03/22

Corporate Rewards: Boxtops - raised \$324.50 as of 05/03/22

Amazon Smile - \$86.90 as of 05/03/22

When job was started and completed: Multiple events throughout the year  
~ one event per month for 5<sup>th</sup> Grade farewell

**Resources used/needed:**

• Advertisement through Looking Ahead at Lincoln / Lincoln Ledger

**Monies Used/Profits Gained:** Monies used N/A; Profits gained see above

\* Individual event reports completed throughout the year for all fundraising activities

**Difficulties:** Some organizations required multiple attempts to contact them for fundraising partnership agreements / dates to hold events

**Suggestions for Next Year:** - Try to set up additional fundraisers with shops on Beverly Road (Taco Diablo, 10 Deli, etc.) to support local business

- Zorros was scheduled to do a food truck, however, this never was scheduled (they may be open to future joint events)

**Other Comments:**

• I would strongly consider asking for 5<sup>th</sup> grade parent support directly. Several families stated they would have liked an option for direct donation - they felt some fundraisers did not work for their family due to two working parents (e.g. meditera 8-5pm hrs / Kona Ice after school) or due to food allergies (most events were food related).

• Highest earning fundraisers =

- Spirit wear

- Chipotle (potential long wait for food)

- Madsen Donuts (willing to do "as many fundraising days as you want")

- Meditera Cafe
