♥ A Color of His Own

Leo Lionni

Knopf (1997)

Summary:

The classic story about searching for somewhere to belong, from four-time Caldecott honor winner Leo Lionni. Elephants are gray. Pigs are pink. Only the chameleon has no color of his own. He is purple like the heather, yellow like a lemon, even black and orange striped like a tiger! Then one day a chameleon has an idea to remain one color forever by staying on the greenest leaf he can find. But in the autumn, the leaf changes from green to yellow to red . . . and so does the chameleon. When another chameleon suggests they travel together, he learns that companionship is more important than having a color of his own. No matter where he goes with his new friend, they will always be alike.

Kwanzaa

Denise Jordan

Capstone (2002)

Summary:

Why does the Great War seem part of modern memory when its rituals of mourning and remembrance were traditional, romantic, even classical? In this highly original history of memory, David Williams shows how classic Great War literature, including work by Remarque, Owen, Sassoon, and Harrison, was symptomatic of a cultural crisis brought on by the advent of cinema. He argues that images from Geoffrey Malins' hugely popular war film *The Battle of the Somme* (1916) collapsed social, temporal, and spatial boundaries, giving film a new cultural legitimacy, while the appearance of writings based on cinematic forms of remembering marked a crucial transition from a verbal to a visual culture. By contrast, today's digital media are laying the ground for a return to Homeric memory, whether in History Television, the digital Memory Project, or the interactive war museum. Of interest to historians, classicists, media and digital theorists, literary scholars, museologists, and archivists, *Media, Memory, and the First World War* is a comparative study that shows how the dominant mode of communication in a popular culture – from oral traditions to digital media – shapes the structure of memory within that culture.

♥ One Fish, Two Fish, Red Fish, Blue Fish

Dr. Seuss

Beginner Books (1960)

Summary:

Back in 1957, Theodor Geisel responded to an article in Life magazine that lamented the use of boring reading primers in schools. Using the pseudonym of "Dr. Seuss" (Seuss was Geisel's middle name) and only two hundred twenty-three words, Geisel created a replacement for those dull primers: "The Cat in the Hat." The instant success of the book prompted Geisel and his wife to found Beginner Books, and Geisel wrote many popular books in this series, including "Hop on Pop, " "Fox in Socks, " and "Green Eggs and Ham." Other favorite titles in this series are "Go, Dog, Go!" and "Are You My Mother?" by P. D. Eastman, "A Fly Went By, " by Mike McClintock, and "Put Me in the Zoo, " by Robert Lopshire. These affordable hardcover books combine large print, easy vocabulary, and large, bright illustrations in stories kids will want to read again and again. Grades 1 - Grades 2.

♥ Our Class is a Family

Shannon Olsen

Shannon Olsen (May 5, 2020)

Summary:

Teachers do so much more than just teach academics. They build a sense of community within their classrooms, creating a home away from home where they make their students feel safe, included, and loved. With its heartfelt message and colorfully whimsical illustrations, "Our Class is a Family" is a book that will help build and strengthen that class community. Kids learn that their classroom is a place where it's safe to be themselves, it's okay to make mistakes, and it's important to be a friend to others. When hearing this story being read aloud by their teacher, students are sure to feel like they are part of a special family. And currently, during such an unprecedented time when many teachers and students are not physically in the classroom due to COVID-19 school closures, it's more important than it's ever been to give kids the message that their class is a family. Even at a distance, they still stick together. "Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what." -Unknown

♥ The Snowy Day

Ezra Jack Keats

Penguin (1976)

Summary:

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. This celebrated classic has been shared by generations of readers and listeners, a must-have for every child's bookshelf and a perfect gift for the holiday season. New York Public Library's #1 book on the list of "Top Check Outs of All Time" In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. The quiet fun and sweetness of Peter's small adventures in the deep, deep snow is perfect for reading together on a cozy winter day. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un dia de nieve.) Praise for The Snowy Day "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more--a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." --The Atlantic Ezra Jack Keats's classic The Snowy Day, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow.--Publisher's Weekly
