Yearbook questions: Please contact Leland Mallett lelandmallett@misdmail.org

Dual Credit Students:

We will be unable to begin taking payments for fall dual credit classes as planned September 1st. Skyward is not yet available. Once the system is restored, we will need a few days to update records before we begin collecting payments. Students and parents will be notified when payments can be accepted. Thank you for your patience and understanding.

Student Tardies:

We are using a new system when a student is tardy. It will automatically contact you using the phone number and email that is in Skyward to let you know that your student was tardy to class. The first two tardies are warnings. Our new system allows students to scan their ID cards at one of several stations across the campus. This limits the time they are out of class and has proven to be a much more efficient system. Please contact your child's Assistant Principal if you have any questions.

Library:

Our library is excited to welcome you back to the 22-23 school year. We encourage you to partner with us to continue to create a community of readers. If at any time you would like to set parameters on books your child can check out or if you have any questions about our library please call our librarian Pam Pinkerton at (682)314-0697 or email at pamelapinkerton@misdmail.org. We look forward to reading our way through 22-23!

ID Cards:

Most of our students are doing a great job of wearing their ID cards at all times! We have been blessed with students that understand the security issue. For the few that remain reluctant to wear their ID, we will begin checking IDs at all entries Tuesday. No student will be allowed in the building without one on and visible. We will have an ID machine near the door if they have left it at home or lost it.

Morning Student Entry:

Students can enter the building each morning beginning at 6:45. They will wait in the cafeteria until 7:15 and have until 7:25 to get to class. The doors that are unlocked for student entry each morning are the doors in the front and back of the cafeteria. The main front doors open at 7:15 and remain open until 7:25. All student drop-off should be done in front of the building. Busses drop off in the back.

Stadium Reminder:

I sent this out earlier in the week, but just in case you missed it:

This week our Legacy football team takes on the Crowley High School at RL Anderson Stadium. We are so excited for this first home varsity game of the season! As a reminder there are stadium and campus procedures that will be enforced at these events. I have attached a link to the [MISD Stadium Guidelines](#) so that everyone has a clear understanding of the procedures in place for our games. Although we strongly encourage you to read the entire guideline, there are a few that we want to clearly communicate:

1. All High School students must have their ID with their online ticket to attend the game. Students will not be allowed in the game without an ID.
2. All Elementary, Intermediate, and Middle school students must be accompanied and supervised by an adult during the game.
3. Students must find a seat during the game and are not permitted to wander around or congregate in front of the stands. This restricts the view of other fans and blocks their ability to enter and exit safely.
4. The clear bag policy will be enforced at all gates. Please do not bring purses or backpacks that are not clear.
5. Finally, students must be picked up no later than 30 minutes after the game.

We appreciate you partnering with us to create an amazing environment for our school, community, fans, and team! Go Broncos!

Parents, please reach out if you have any questions. It has been a great start to the year – even with the internet outage – and we are excited for everything the rest of the year holds.
