

A World-Class Community of Learners

Fridley Public Schools is committed to creating a welcoming, respectful environment that provides an equitable and inclusive education for each student, staff and community member by ensuring that opportunities, access, and resources are aligned to support the growth and academic achievement of each student.

305 Policy Implementation

I. Purpose

The purpose of this policy is to clarify the responsibility of the school administration for implementation of school district policy.

II. General Statement of Policy

- A. It shall be the responsibility of the superintendent to implement school board policy and to recommend additions or modifications thereto. The administration is authorized to develop procedures, guidelines and directives to effectuate the implementation of school board policies. These procedures, guidelines and directives shall not be inconsistent with said policies. At least annually, these written procedures, guidelines, and directives shall be presented to the school board for review.
- B. Student handbooks shall be subject to annual review and approval by the school board.
- C. School principals and other administrators who have handbook responsibilities shall present recommended changes necessary to reflect new or modified policies. Changes of substance within handbooks shall be reviewed by the superintendent to assure compliance with school board policy and shall be approved by the School Board.
