### Thursday, June 8

The Minnetonka High School Senior Party is a long-standing tradition that occurs immediately following the graduation ceremony. Students will be transported via bus directly from graduation to the offsite Senior Party. The Senior Party is ENTIRELY funded through fundraisers, donations and ticket sales. The Senior Party receives NO financial assistance from the district. Ticket sales help to offset the costs of bus transportation, event site private all-night rental, hours of multiple onsite entertainment options, raffle prizes, unlimited beverages and a wide variety of food options. It will be a night filled with making memories!

Tickets will be available for purchase later in the school year. Party scholarships are available.
