

# Storybook STEM

With Mrs. Burke, Mrs. Chapman & Mrs. Macleod

Do you enjoy listening to amazing books?

Is building, creating and problem solving your jam?

If you enjoy stories AND if you enjoy building, creating and problem solving this is the club for you!

During each club meeting you will be transported on a new adventure as you listen to a story! Then you will work in teams using your creativity to build, create or problem solve! Every club is a new and exciting adventure! Join Mrs. Chapman, Mrs. Macleod and Mrs. Burke as together we voyage through STORYBOOK STEM!

Start Date: : Thursday September 15

Fall Club Meeting Dates: 9/15, 9/29, 10/13, 10/20, 11/3,

11/17, 12/1 (final club meeting date)

Time: 3:45-4:30

Location: 2<sup>nd</sup> Floor Science Lab

We will have approximately 15 slots open for 3<sup>rd</sup> and 4<sup>th</sup> graders. We will use a lotto system to determine participants if we have too many wanting to join. If you are not drawn for the Fall club, we will have a Spring club as well! (A new flyer will be sent home after winter break for this section)
