

Hello and welcome to your step by step iPad directions:
Please use the **Classlink** app to complete iReady assignments.

ACCESSING iReady:

1. **DO NOT USE SAFARI OR CHROME**
2. You must only access iReady by opening the **Classlink** app.

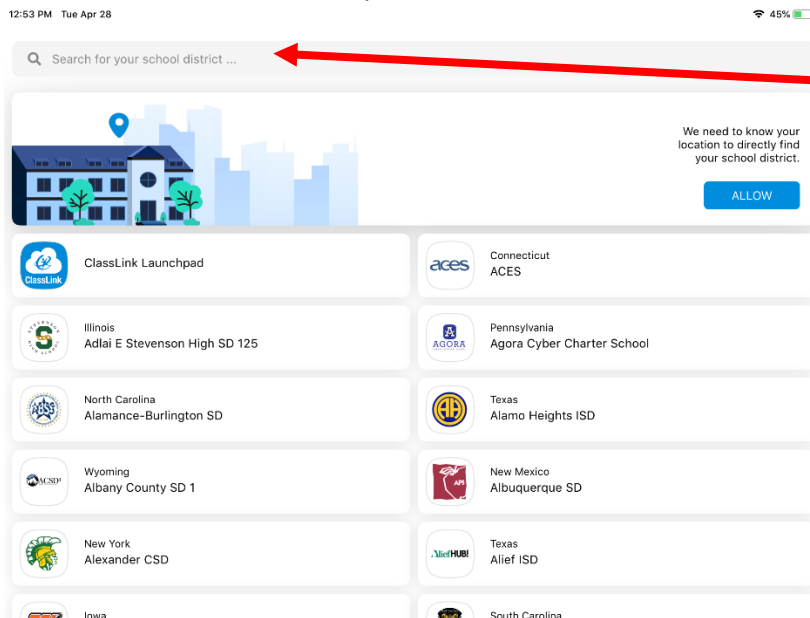

(Classlink opens iReady)

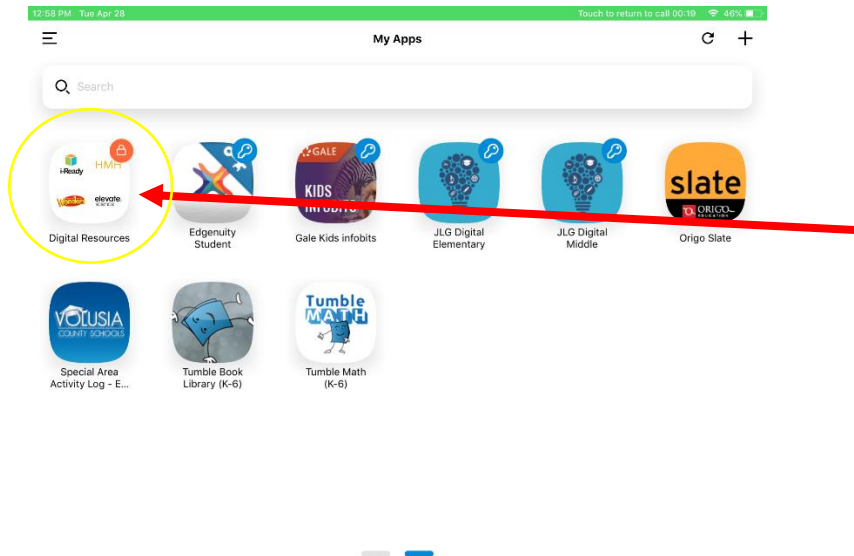

Please sign into your child's Vportal with this app. This will allow you to access iReady.

3. Tap the box that says: "Sign in with ADFS."
 - If you do not see this then you must use the back left arrow at the top of the screen and go back to search "Volusia County School". Please select our school district so that he can sign in.

Type Volusia County Schools here

4. Type in your Vportal credentials / username:
 - Alpha@vcs2go.net
 - MMDDYYYY
5. Tap Sign In.
6. Tap on the “Digital Resources” folder in your Vportal.

7. Tap on the “i-Ready” tile, inside of the Digital Resources folder.
8. Tap “Open” when you see “ClassLink” wants to open “i-Ready”.
9. Tap on “Reading” or “Math” to begin i-Ready lessons
