TEXAS CITY ISD
FOUNDATION FOR THE FUTURE
Inspiring Kids to Achieve. Excel. Lead.

Annual Drive Campaign

When Simms Elementary music teacher Haywood Neely needed new drums for his students last year, he knew where to turn. As a recipient of multiple grants from the Texas City ISD Foundation for the Future, Neely knew the Foundation could help him put the instruments into his students’ hands and enhance their music education. He said “If it were not for the Foundation, a lot of students at this school would miss out on an incredible music experience.”

The TCISD Foundation for the Future is committed to assisting TCISD students and staff with the resources they need that can’t always be funded by the school district’s regular operating budget. While our teachers and staff are focused on multiple scholastic goals, it is the Foundation’s responsibility to help them explore new and innovative learning opportunities for students. More than 7,700 students rely on the district to provide them with the absolute best educational materials and that is where the Foundation for the Future steps in to help.

Donations from business and community partners like you help the Foundation meet those needs. Your contributions help us as we assist our students in achieving their highest level of academic success. By contributing, you are making a difference in the life of a child. With your help, we can reach our 2022-2023 fundraising goal of \$200,000 so that we can provide students with the resources and curriculum they need to succeed.

The TCISD Foundation for the Future is *Rooted in Success* this school year. We are committed to providing special district programs that may not otherwise exist, and we hope we can count on your support this year. Please consider joining us in this effort. Together, we can make this goal a reality.

Help us be *Rooted in Success*!
