## THOUGHTS

### Key Thoughts

**Upgrades to current NBHS facilities** Technology should be equal on both campuses. 20 year old equipment just doesn't operate the same as new equipment and not used in the real world

Ranked #1 of 23

**Magnetize the programs that are costly to duplicate. This will keep the program open to all students.** All students can participate.

3.9  (6 )  
Ranked #2 of 23

**Magnetize the programs that are resource-intensive** Those programs that require the most equipment/cost need not be duplicated

3.8  (8 )  
Ranked #3 of 23
