

OAK AVENUE ROYALS

COMPASSION • INTEGRITY • RESPONSIBILITY

as a Huntington
School Partner

THE HUNTINGTON
Library, Art Museum, and Botanical Gardens

About The Huntington

- The Huntington features world-renown collections in three areas: Library, Art Museum, and Botanical Gardens, including
 - 11 million library items
 - 42,000 art objects
 - 130 acres of themed gardens
- School programs include docent-led tours, wellness walks, and virtual programs
- Educational resources including curricula, teacher advisory panel, and summer PD

Our Goals

School partnerships are two-year collaborations between the Huntington that blends classroom and museum education to provide students with meaningful educational opportunities

- To inspire student curiosity in the focus area of the partnership
- To help students make connections with the Huntington's gardens/collections
- For students to feel a sense of belonging at The Huntington
- For teachers to feel comfortable integrating outdoor spaces/objects into their lessons

School Partnership Benefits

- Free admission benefit (staff/students and up to 3 guests with school ID)
- Early access to School Programs (for 1 class in the fall, the rest of the classes in the spring)
- A customized Deep Learning Day
- Family Day
- Teacher professional learning opportunities
- Bus funding for Title 1 schools

MOU Sections - and Our Responsibilities

- Reporting and evaluation - we agree to provide them with data that demonstrates how our students have benefited from this partnership, and any growth we see in their skills.
- Funding - they will reimburse costs for busses for field trips to their campus based on our title one status.
- Free admissions benefit
- Partnership duration (2 years)
 - Starts August 15th, 2022
 - Ends August 1st 2024
- Use of intellectual property agreement (we will not use any of their intellectual property without giving credit)
