2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Navelencia Middle School serves approximately 385 students in grades 6-8. The school is located at the foot of Mount Campbell in suburban Reedley, ten miles northeast of the Kings Canyon Unified School District Office. Navelencia enjoys a 13-acre park-like setting and is nestled in an agricultural setting near Highway 180 and nearby Kings Canyon National Park in rural Fresno County. The beautiful campus is surrounded by large open grassy playfields, a natural amphitheater and is surrounded by locally-owned orange groves, almond orchards, and vineyards. Each day, the school enjoys a view of the Sequoia/Kings Canyon National Park. More than half of the parents of the students are employed by agricultural companies as seasonal farmworkers.

Our staff is dedicated to ensuring the academic success of every student and providing a safe and productive learning environment for all. The school holds high expectations for students and staff in efforts to ensure the academic and social development of all students. Curriculum, instruction, assessment, and professional development are focused on assisting students in mastering the common core standards, as well as increasing the overall student achievement of all student subgroups. It is one of three middle schools in Kings Canyon Unified School District. Other middle school students are served in four K-8 schools.

Navelencia Middle School Mission Statement:

Our mission at Navelencia Middle School is to establish a safe learning environment for all students that is engaging, innovative, and rigorous. This will ensure that all students excel academically and socially, empowering them to become college and career-ready, productive citizens, and future leaders.

Our student outcome statement focuses on students leaving Navelencia with the ability to communicate effectively, logically synthesize information to be prepared for high school. Our instructional focus is student discourse in all classes and content areas.

Expectations: Be Respectful! Be Responsible! Be Safe! Motto: Today a Patriot. Tomorrow a Leader

2021-22 School Overview

At Navelencia Middle School students engage in activities that focus on both academic and extracurricular success. Our core curricular program also includes a vital social-emotional component to our framework. Teachers and staff members create weekly opportunities that focus on empathy, compassion, and awareness. In addition to the core subjects, Navelencia provides students an opportunity to be involved in AVID and Career Technical classes. A reward system is in place so that positive behaviors are rewarded and encouraged by all. Every Friday, students take part in games and activities that promote positive culture and climate. Navelencia has an active Associated Student Body that plan and organize fun and engaging events.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal. Navelencia Middle School has 17 classrooms, a multipurpose room, a library, a boys and girls locker room and an administration building. The main campus was built in 1960. Additional classrooms were constructed in 1977. Additional relocatable classrooms were constructed in 1990 and 1997.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Recent upgrades to the facilities at Navelencia Middle School include solar panels which has also provided shade structures in both the parking lot and grounds of the school. On the Northwest side of the campus, a large solar panel structure has been placed to provide additional shade areas for students. Concrete was poured under the structure which has added additional seating areas for students and staff at Navelencia. Eight additional picnic tables have been purchased to better utilize the space. In addition, a newly constructed fully digital marquee will be installed in the front of Navelencia School. This will give parents and the community and opportunity to receive updated information on events and activities at the school.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parent involvement and communication are essential to our schools' success. Navelencia Middle School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities. There are numerous and varied opportunities for parent involvement including options to attend school functions and participate and assist with various school activities. As a result of the COVID-19 pandemic, some of the traditional school year activities have been modified to follow safety protocols and guidelines. School registration is conducted during a safe return to school activity that included students and parents coming to campus throughout the day and going through various stations to receive schedules and any other important information. Back to School Night included opportunities for parents to review the Title I Parent Engagement Policy as well as meeting one on one with teachers. Parent education workshops are offered annually to help parents understand their role in helping their child be successful in school and to prepare for high school and beyond. Parents are also invited to attend several different "Family Nights". The first one will occur in December and will include performances by student groups as well as family games and parent surveys. The second will occur during spring when students in the Career Tech classes will be able to showcase their work. Separate parent events specifically for 8th-grade parents that will focus on high school transition and supporting student academics in high school. Parents may also serve on advisory committees and leadership teams, including Parent Teacher Club (PTC), English Learners Advisory Council (ELAC), and School Site Council (SSC). The following activities will may be adjusted during the pandemic if needed: family night events including "Paint Nights", "Family STEM Night", and "Cultural Celebrations". Parents will also have the opportunity to be a part of student awards and recognitions.

Home and school communication is enhanced through Parent Square, school and class newsletters, parent-teacher conferences, the student/parent handbook, the school website, the city newspaper section, student report cards, and other regular communication activities. In addition, translation services, and Parent Square automated phone messages are provided regularly. Navelencia utilizes Parent Square for event information. All forms of communication are distributed to parents in both English and Spanish.

Parents who would like more information on how to become involved may contact Principal Jennifer McConnon Luevano at (559) 305-7350.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students and staff is a primary concern of Navelencia Middle School. Before, during, and after school, the campus is monitored by campus supervisors and assigned staff. All visitors must sign in at the office and wear appropriate identification while on campus. Visitors and school staff are to display their identification cards at all times. The comprehensive school safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include; child abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, suspension and expulsion policies, and suicide prevention training. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated in 2021 and shared with staff during the week of 9/21/21. An updated copy is available to the public at the school office. The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted regularly and the school staff is appropriately trained.

2020-21 Types of Services Funded

Navelencia Middle School receives general State of California and state lottery funds. In addition, NMS benefits from an After School Education and Title I part A funds.

These funds have enabled NMS to provide intervention, enrichment, and social/emotional support systems.

Navelencia Middle School is meeting funding goals and is able to provide services by categorical funds that enable under-performing students to meet standards. Extended library hours, intervention opportunities, supplemental materials and supplies that enhance or extend the core curricular program are funded. There are many activities that are designed to promote Parent Involvement in the school. Parent education is important and the school receives funds through LCAP/SUPCON monies to provide such services. The school utilizes PBIS as a school wide approach to discipline and those funds are used to support positive behaviors through enriching culture and climate. Activities such as school wide clubs, rallies, dances, spirit competitions, book clubs, and Kindness Clubs are several ways that this is achieved. The PBIS Team also celebrates students successes with weekly games and activities as well as a "Patriot Store" in which students can spend "patriot money" earned with good behavior. Personnel solely responsibility for provide direct service support to all learners , especially those struggling to meet academic proficiency. Intensive interventions funded through Title I support struggling learners during the school day, afterschool, as well as Saturday School. The School Site Council reviews the School Plan for Student Achievement annually. The SSC will review site expenditures and student performance to modify the plan to address the needs of all students.

KCUSD provides Navelencia Middle School with a review of the KCUSD Instructional Action Plan on an annual basis. The actions and goals of this plan provide the framework for the academic operation of Navelencia Middle School.

Professional Development

Professional development at Navelencia Middle School is designed to meet the individual needs of teachers as well as broader school concerns. Professional development may take the form of trainings, workshops, coaching, peer observation, or constructive self-reflection and are consistent with our school vision and goals. Principal, learning director, teachers, instructional aides, and other support personnel may take part in these activities.

Navelencia Middle School emphasized collaborative team building, PLC, assessment and data collection, and effective teaching strategies in its professional development program, with emphasis on instructing English Language Learners. Staff will continue with the building of our professional learning community with a focus on RTI implementation and student engagement.

Staff, grade level, district-wide, and vertical team meetings also provide regular opportunities for professional collaboration, as do district data analysis and interpretation committee meetings. Teachers may also attend conferences and workshops. Three Buy-back and 35 early release days provide time for quality professional development.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
