As COVID-19 continues to be a threat to the public health, schools and childcare providers continue to implement safety protocols to prevent the spread of COVID-19 and protect the health of employees, children, and teachers. As a result, a permanent rulemaking has been initiated to ensure employees can continue to utilize OFLA sick child leave if their child's school or childcare providers are entirely closed or intermittently closed in conjunction with a statewide public health emergency.

You indicated you are caring for your son or daughter because his/her school or place of care is closed, or your childcare provider is unavailable, due to COVID-19 precautions.

I _____ certify that there is no other family member of my child willing and able to care for them.
