In Memoriam

The 2021 Memorial Service is dedicated to the memory of all the alumni known to be deceased, beginning with the class of 1956, and former faculty and staff members, including any who were also alumni. Beginning next year, we will recognize alumni from milestone reunions known to be deceased within the last five years and include faculty and staff. Through this service, we celebrate their lives and special contributions to family, community, Wayland Academy, and the world.
