What is Title I?

West Bainbridge Primary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan.

West Bainbridge Primary Plan for Parent & Family Engagement

What is it?

This is a plan that describes how West Bainbridge Primary will provide opportunities to improve family engagement to support student learning. West Bainbridge Primary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that West Bainbridge Primary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

West Bainbridge Primary invited all parents to attend our annual School Improvement session last summer to review and revise this parent and family engagement policy, as well as the school-wide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. Parents and family members can give feedback during parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. West Bainbridge Primary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is sent home with each student. The plan is also made available on the WBP website. Parents can also retrieve a copy of the plan in the WBP Parent Resource Center and District Parent Resource Center at any time.

School-Parent Compacts

As part of this plan, West Bainbridge Primary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compact is reviewed and updated annually based on feedback from parents, students, and teachers during the summer school improvement meeting. The school-parent compacts are sent home with all students on the first day of school specific to their grade level. Grade level copies available in the Parent Resource Room & school website.
