

Innovations International Charter School of Nevada Home Schooling Declaration

Innovations International Charter School of Nevada's is not a home-schooling program. It is a State funded public charter school. Please read and check the statement below that best describes your child's current status.

_____ I have exempted my child for home schooling for the school year but wish to withdraw my exemption and have my child attend Innovations International Charter School of Nevada. (If you check this statement, please contact CCSD Home Schooling Office to inform them that your child is enrolling in a public school, and you would like to be withdrawn from your exemption).

_____ I have not exempted my child for home schooling for the school year but have chosen to have him/her enrolled in Innovations International Charter School of Nevada.
