

## Welcome to READY! for Kindergarten® Virtual - Parents and Caregivers of Preschoolers,

We're happy to share that READY! for Kindergarten® fall workshops are available to South Kitsap School District families online from September 15<sup>th</sup> – October 12<sup>th</sup>. Cut off time is 5 p.m., October 12<sup>th</sup>. Just like our in-person workshops, age-appropriate workshops are available for families with children ages 0-1, 1-2, 2-3, 3-4, or 4-5. If you have more than one child in this age range, please sign up for each workshop needed.

### Important:

- **Using cell phones to view workshop(s):** Note that some phones are not compatible with the virtual sessions. If you do not see the **evaluation/survey** button at the end of the workshop, try using a computer, tablet, or iPad to complete the workshop.
- **The system does not resume where you left off.** If you cannot complete the workshop in one setting, make a note of where you left off. When you are able to log back in to continue, click through to where you left off and finish from there. You must complete the workshop(s) **and the survey** before 5 p.m. on October 12<sup>th</sup> to qualify for tool-pickup.

To sign up, go to <https://www.readyforkindergarten.org/southkitsap/sign-in>. If you already have an account, sign-in to your account and complete your workshop registration(s). If you are new to READY! complete the steps below.

1. Create an account
2. Enter your and your child(ren)'s information
3. Click on Workshops to register for a parent workshop for each child you have that is not yet in kindergarten. If you are signing up for more than one age group, select "Yes – New to READY!" for only *one* workshop.

**After you have registered**, log back into your RFK account, click on YOUR WORKSHOPS and click the workshop link in your child's registration confirmation. Sessions are approximately one hour in length. Class notes pages are available for you to print from the session, or you can use your own notebook.

Additionally, you can share the e-learning workshop with caregivers and other family members who interact with your little one.

Parents new to READY! will start with a brief Orientation followed by their age-appropriate fall workshop. Orientation is a one-time, program overview that covers all age groups for families new to the READY! for Kindergarten® program.

At the end of the session, you will be asked to participate in a brief survey, select a time for your READY! learning tools pick-up. *By submitting the survey, we will be notified that you have completed your workshop and selected your tool pick up date.*

*We cannot qualify you for tool pick-up without a completed survey.*

Picking up your tools:

Notate the date and time for your tool pick up. Parents who are new to READY! will also pick up an Orientation kit at this time.

We will follow up with an e-mail reminder about tool pick-up about 24 hours before your selected pick-up time.

*Please be aware that all tools **must** be picked up by 11:30am on your chosen pick up date.*

*Any tools left unclaimed can no longer be set aside for a later date.*

Questions? Please call Lisa Freeman at 360-874-7061 or email [freeman@skschools.org](mailto:freeman@skschools.org)

We look forward to seeing you!

South Kitsap School District
