

GRADUATION REQUIREMENTS

Seattle Academy has never had an AP curriculum. Instead, students seek challenge and exhilaration in our Honors courses and in our dynamic curriculum which includes graduation requirements across performing and visual arts areas and in computational thinking, entrepreneurship and design, and financial literacy. Our Honors courses are comparable to AP courses. Very few students choose to sit for AP exams.

First trimester, available in late November/early December, constitutes "midyear" grades but is also generally available for Early Decision/Action applications. Second trimester grades are usually available the second week in March. Please also note that where geometry is not listed on the transcript, students enrolled in geometry in Middle School.
