*Since 2012, CBHS has implemented a 1:1 technology model, ensuring every student has a laptop for his entire academic career. In 2020, CBHS implemented a hybrid-learning model following the onset of the COVID-19 pandemic. Since Spring of 2021, CBHS students have resumed attending class in-person full-time.*

### GRADING & RANKING

- Christian Brothers does not rank students.
- Transcripts only include courses and grades completed at Christian Brothers High School. If a student enters CBHS with high school credits, a transcript from his previous school will be provided.
- GPA is calculated solely using courses completed at Christian Brothers High School.
- Honors and dual-enrollment courses are weighted one quality point. AP courses and Advanced Calculus III are weighted two quality points.

The De La Salle Scholars program is a highly selective, four-year program designed to challenge academically gifted students. Students in the program participate in diverse extracurricular activities to develop their Lasallian charisma and are enrolled in the most rigorous courses offered at Christian Brothers High School.

CBHS offers a four-year comprehensive STEM program with three distinct tracts: engineering, biomedical science, and computer science. The STEM Co-Lab culminates with Engineering & Development, a capstone experience that enables students to address and solve real-world problems.

### DISCIPLINARY REPORTING

If a student is dismissed from Christian Brothers High School during their senior year, all institutions where the student has applied will be notified.
