**IMPORTANT HEALTH REMINDER:** If your child is participating in the after school intramural athletic program and they need the use of their inhaler, epi-pen, or other medication you need to provide the Athletic Department with the medication necessary should an emergency arise. The state requirement is that medications for interscholastic and intramural are separate from the medications that are used during the school day. Please have your child bring in all necessary medication as soon as possible unopened, labeled, and in a Ziploc bag. Safety is our first priority when it comes to your child's needs.
