The term principal as used herein shall not include superintendent, assistant superintendent, director, confidential employees, part-time employees whose services do not exceed the lesser of 14 hours per work or 35% of the normal work week in the employees' bargaining unit, employees who hold positions of a temporary or seasonal character for a period not in excess of 100 working days in any calendar year, emergency employees and

ARTICLE IV SCHOOL DISTRICT RIGHTS

Section 1. Inherent Managerial Rights: The School District is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organization structure and the selection, direction, and number of personnel.

Section 2. Management Responsibilities: The School District shall efficiently manage and conduct the operation of the school district within its legal limitations and with its primary obligation to provide educational opportunity for the students of the school district.

Section 3. Effect of Laws, Rules and Regulations: All employees covered by this Agreement shall perform all duties and related responsibilities as reasonably prescribed by the School District. The School District and its duly designated officials have the right, obligation and duty to promulgate rules, regulations, directives and orders from time to time as deemed necessary by the School District and its duly designated officials insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement. The School District, all employees covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State of Minnesota, rules and regulations of the State Board of Education, and valid rules, regulations and orders of State and Federal governmental agencies. Any provisions of this Agreement found to be in violation of any such laws, rules, regulations, directives or orders shall be null and void without force and effect.

Section 4. Managerial Rights Not Covered by this Agreement: The foregoing enumeration of School District responsibilities shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein and all management rights and management functions not expressly modified by this Agreement are reserved to the School District.

**ARTICLE V
PRINCIPAL AND ASSOCIATION RIGHTS**

Section 1. Right to Views: Any principal or representative of the principal may express or communicate a view, grievance, complaint or opinion on any matter related to the conditions or compensation of employment so long as such action does not interfere with the performance of the duties of employment or circumvent the rights of the Association.

Section 2. Right to Join: Any principal shall have the right to form or join labor or employee organizations, and shall have the right not to form or join such organizations.

Section 3. Right to Exclusive Representative: Any principal in an appropriate unit may participate by secret ballot in designation of any exclusive representative for the purpose of negotiating the terms and conditions of employment and a grievance procedure for such principals as provided in the P.E.L.R.A.

Section 4. Request for Dues Check Off: Any principal may request and be allowed dues check off for the Association, provided that dues check off and the proceeds thereof shall not be allowed to any principal organization that has lost its right to dues check off pursuant to M.S. 179.64, Subd. 6. Upon receipt of a properly executed authorization of the principal involved, the School District will deduct from the principal's paycheck the dues that the principal has agreed to pay to the Association during the period provided in said authorization.

Subd. 1 Participation in the program is contingent upon submission of a properly executed authorization to the School District by October 1 of the school year for which the deductions are to be made.

1.1 Dues deductions will be made in eight equal monthly installments beginning in November and ending in June of each year.

Subd. 2 The School District will make a single monthly payment to the treasurer of the Association.

Subd. 3 Principals choosing to join the Association after October 1, shall make their payments for dues on an individual basis directly to the Association for the remainder of the school year in which such decision is made.

Section 5. Personnel Files: Upon request, a principal shall have the right to examine during the regular school business hours, the principal's own evaluation and files generated within the School District.

Subd. 1 Confidential Material: No detrimental material relative to a principal's

service, conduct, character, or morality will be placed in the personnel file of that principal unless notification of such action has been sent to the principal.

Subd. 2 Right to Respond to Material in Personnel File: The principal will have the right to respond, in writing to any material filed in the principal's personnel file and such response will be made a part of that file.

Subd. 3 Reproduction of Material in Personnel File: The principal will have the right to reproduce, at their own expense, any material generated within the School District, which has been placed in the principal's personnel file

Section 6. Principal Rights Not Covered by This Agreement: Nothing contained in this Agreement shall be construed to restrict or deny to any principal rights granted under Federal, State or other applicable laws or regulations.

Section 7. Seniority: The seniority date on the seniority list for principals hired on or after July 1, 2012, will be based on the first day of employment as a principal or associate principal in ISD 197. The seniority date on the seniority list for principals hired before July 1, 2012, will be based on the first date of employment as an employee of ISD 197.

ARTICLE VI UNREQUESTED LEAVE OF ABSENCE

Section 1. Purpose: The purpose of this Article is to fulfill the requirements of Minnesota Statutes section 122A.40, subdivision 10, which states: "The school board and the exclusive bargaining representative of the [principals] must negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many [principals] as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts."

Section 2. Seniority Date: The seniority date on the seniority list for principals hired on or after July 1, 2012, will be based on the first day of employment as a principal or associate principal in ISD 197. The seniority date on the seniority list for principals hired before July 1, 2012, will be based on the first date of employment as a teacher or principal in ISD 197. An approved leave of absence does not impact a principal's seniority.

Section 3. Establishment of a Seniority List: The District will distribute a seniority list to all members of the bargaining unit by November 1 of each year. A principal who disputes his or her standing on the list must grieve the issue pursuant to the grievance procedure. Once the period for filing a grievance has passed, or the grievance has been processed to a conclusion, the seniority list

will be conclusive evidence of a principal's seniority ranking in the bargaining unit.

Section 4. Ties: In the event that two or more principals have equal seniority, their seniority ranking will be determined by applying the following factors in the following order:

- a) length of service in the district;
- b) length of service as an administrator in any district; and
- c) lowest principal licensure number.

Section 5. Placement on Unrequested Leave of Absence: The District will place principals on ULA in the inverse order of seniority. The District may place principals on ULA without pay or fringe benefits because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The District has the sole right to determine whether there is a lack of pupils or whether the District is experiencing financial limitations.

Subd. 1. The District will afford bumping rights based on seniority and licensure before identifying the principal(s) to be placed on ULA.

Subd. 2. Nothing in this Article allows or gives a principal the right to obtain a promotion through the ULA process. A principal may not bump into a promotion, demand to be recalled to a position that would be a promotion, or otherwise assert a seniority right in a manner that would result in the principal receiving a promotion.

Subd. 3. Moving from an elementary school position to either a middle school position or a high school position would be a promotion. Moving from a middle school position to a high school position would be a promotion. Moving from an assistant principal position to a principal position would be a promotion.

Subd. 4. The District is not required to realign any positions when placing principals on ULA or when recalling principals from ULA.

Section 6. Reinstatement:

Subd. 1. Principals who have been placed on ULA will be eligible for recall for a period of three school years. During this three-year period, the District will recall principals and reinstate them to available positions for which they are licensed in the inverse order in which they were placed on ULA.

Subd. 2. The District will not hire or appoint a new principal to fill a vacant principal position if a properly licensed principal is on ULA and is available and willing to accept the vacant position, and the vacation position would not be a promotion for the principal on ULA.

Subd. 3. The District will use certified mail and email to notify principals that they are being recalled to a vacant position. The District will use the principal's last known mailing address and last known email address. A principal will be removed from the recall list permanently if the principal declines an available principal position or fails to notify the District in writing, within fifteen (15) calendar days of the date of notification, that he or she is accepting the position. A principal on ULA is responsible for ensuring that the District has the principal's current contact information.

Subd. 4. A principal placed on ULA may engage in teaching or any other occupation during the period of the ULA. Nothing in this Article may be construed to impair the rights of principals who have been placed on ULA to receive unemployment compensation, if otherwise eligible.

Subd. 5. The placement of a principal on ULA will not impair the principal's continuing contract rights or result in the loss of any sick leave accrued under the Master Contract, if the principal is later recalled.

ARTICLE VII COMPENSATION

Section 1. 2021-2023 Base Salary Schedule: The salaries for principals employed under regular contract by the School District for the 2021-2022 school year are stated in Schedule A, attached hereto, and shall be a part of the Agreement for the 2021-2022 school year. 1.1 Degrees and additional credits recognized for placement on the principals' salary schedule shall be applicable for placement on the teachers' salary schedule.

Subd. 2 Step Placement: Principals reassigned to a classroom or other teaching assignment will be placed on the appropriate step of the teachers' salary schedule commensurate with the total allowable experience.

1.1 Total allowable experience will be defined as the sum of the number of full years of experience within the School District and the number of years of outside experience granted for initial placement on either salary schedule.

Section 7. Summer School: Elementary principals who are required to provide summer school supervision on days that they are otherwise not on duty will receive 40% of their daily rate of pay for the approximate half day summer school program.

Subd. 4 Extra-curricular or Coaching Payments: Principals who receive pay for extra-curricular or coaching assignments will normally receive that pay split equally over the course of the principal's regular payrolls unless the principal indicates in writing to the human resources department prior to the start of the assignment that they wish to receive pay over the course of the activity time or in a lump sum at the conclusion of the assignment.

Section 2. Payroll Deductions: Payroll deductions will be permitted for those items enumerated in this section.

In the event the employment of the principal is terminated prior to the beginning of the 5th year, monies owed the district would be paid through the deduction from monies owed the principal. However, the final determination as to the eligibility of a principal for sick leave is reserved for the School District.

In the event that a medical certificate will be required, the principal will be so advised.

Subd. 2 A principal on leave of absence for disability may participate in the group insurance coverage provided in this Agreement for which the principal is qualified by paying 100% of the premium cost in advance each month.

Subd. 3 At the expiration of the 12-month leave of absence for disability the principal's employment will be terminated if the disability still exists and the leave has not been extended.

Section 6. Leave of Absence for Professional Growth: Professional growth programs which contain improvement components of value to both the School District and the principal may be submitted for consideration on an individual basis.

6.1 A principal who fails to return for the specified period shall repay the School District for salary and fringe benefit payment if any received during such leave.

Section 7. Child Care Leave:

Subd. 2 A Principal making application for child care leave shall inform the Superintendent in writing of the intention to take the leave at least three calendar months before commencement of the intended leave.

Subd. 3 If the reason for the child care leave is occasioned by pregnancy a Principal may utilize sick leave pursuant to the sick leave provisions of the Agreement during a period of physical disability. However a Principal shall not be eligible for sick leave during a period of time covered by child care leave. A pregnant Principal will also provide at the time of the leave application a statement from her physician indicating the expected date of delivery.

Subd. 4 The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year (i.e., winter or spring vacation, semester or quarter break, end of a grading period, end of the school year or the like). The availability of a Principal may also be considered by the School District in the granting of a child care leave or the duration thereof.

Subd. 5 In making a determination concerning the commencement and duration of a child care leave, the School Board shall not in any event be required to:

5.1 Grant any leave more than twelve (12) months in duration including a period of physical disability.

5.2 Permit the Principal to return to his or her employment prior to the date designated in the request for child care leave.

Subd. 6 A Principal returning from child care leave shall be reemployed in a position for which he or she is licensed unless previously discharged or placed on unrequested leave.

Subd. 7 Failure of the Principal to return pursuant to the date determined under this section shall constitute grounds for termination unless the School District and the Principal mutually agree to an extension of the leave.

Subd. 8 The parties agree that the applicable periods of probation for Principals as set forth in Minnesota Statutes are intended to be periods of actual service enabling the School District to have opportunity to evaluate a Principal's performance. The parties agree, therefore, that periods of time for which the Principal is on child care leave shall not be counted in determining the completion of the probationary period.

Subd. 9 A Principal who returns from child care leave within the provisions of this section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this agreement at the commencement of the beginning of the leave. The Principal shall not accrue additional experience credit for pay purposes or leave time during the period of absence for child care leave.
