

SENIOR PHOTOS FOR THE YEARBOOK

Please be prepared this fall to submit your senior portrait for the 2022 Glacier High School yearbook. The deadline for submitting senior photos is Friday, December 2, 2022.

We strongly encourage you to submit your senior photo electronically, via email or through hJeshare. High resolution (200 dpi or better) Jpegs and PDFs are acceptable, but may be cropped to fit.

To aid in this we have two options available to submit your portrait.

Option 1: Email a copy of your portrait to ghsyearbook@sd5.k12.mt.us or munroj@sd5.k12.mt.us Please make sure your NAME is in the subject line. You can have your photographer do this for you.

Option 2: Log into the HJeShare website at hieshare.com. Enter code glacier. From here you can upload the digital copy of your senior photo and submit it. Make sure you tag the photo with your name.

We request that photos be vertical (TALL not wide) and that your student's face be the primary element. Full body shots are NOT allowed and may be cropped or rejected. If you choose to use props they must be small and not distracting. Portraits must also be appropriate to a high school setting. The GHS yearbook adviser, staff and GHS administrators reserve the right to reject photos and/or use alternative photos, such as portraits from junior year.

We encourage you to double check in December to make certain your senior photo has been placed in the yearbook.

CONGRATULATORY YEARBOOK ADVERTISEMENTS FOR SENIORS

Additionally, if you would like to place a congratulatory advertisement in the yearbook we have two options for this.

Option 1: Log into yearbookordercenter.com. Enter code 12568. You can select START YOUR AD and view pricing and sizes. From here you can upload photos, enter text, and design your ad. You can then finalize and pay via credit card. On this same site you can purchase this year's yearbook as well by clicking ORDER A YEARBOOK.

Option 2: Submit pictures and text between October 1 and February 1. [Prices and a contract are attached and available online.](#) Please put all photos, a signed contract, payment, and rough drawing of the desired ad and message in a sealed envelope to the GHS main office.

If you have any questions, concerns or are interested in placing an ad in the yearbook please contact Josh Munro at 758-8600.

A senior ad embodies a senior's family and school experience and accomplishments. Please consider this opportunity to honor and congratulate your senior. All proceeds go toward creating and printing the annual yearbook and toward supplies for the class.

Ads range from small congratulatory notes to full-page collaborations. Often, several students are recognized in one ad. You may design them yourself or our able yearbook staff can do it for you. We accept high resolution Jpegs and PDFs or we can scan in your photos.

Finally, yearbooks are now available for purchase and can be purchased from the GHS main office. Prices are \$65 if purchased before Dec 31. Beginning January 1 prices go up to \$75.

We value your contributions, patience and cooperation. If there are any questions, comments or concerns please contact adviser Josh Munro at 758-8600 or munroj@sd5.k12.mt.us.
