

Greenwich Public Schools Curriculum Overview

MS Native Spanish Language Arts Grade 7

Personalized learning is achieved through standards-based, rigorous and relevant curriculum that is aligned to digital tools and resources.

Note: Teachers retain professional discretion in how the learning is presented based on the needs and interests of their students.

Course Description:

MS Spanish Language Arts Grade 7

Full Year (Meets daily)

This course is offered to heritage and native Spanish speaking students who are given the opportunity to continue developing strong literacy skills in Spanish in order to become bilingual. The content of the course focuses on helping students develop proficiency in reading and writing through exposure to age-appropriate literature of the Spanish-speaking world. Grammar and vocabulary is taught in context through a variety of genres and texts, including short novels and poetry. Upon completion of this course, students will be able to refine their foundational reading comprehension skills, as well as the ability to express themselves more proficiently in the target language orally and in writing.

Aligned to the World-Readiness Standards for Learning Languages and the ACTFL Proficiency Guidelines, this GPS Native Spanish Language Arts course will prepare students for a global, multilingual and multicultural environment through tolerance, understanding and the ability to communicate across language barriers.
