# group fitness class descriptions

## **Ai Chi**

Ai-Chi helps improve balance and range of motion and promotes relaxation and cardiovascular health.

## **Aqua HIIT**

Aqua HIIT is High Intensity (low joint impact) Interval Training. This vigorous aqua-express class will help you burn calories.

## **Aquapower**

High energy routines let you burn the most calories while still enjoying a no-to-low impact workout.

## **Aquarobics**

This no-to-low impact class is perfect for those looking to start a fitness routine or add variety to an existing one. The water provides buoyancy for support while you build a strong body. Great for rehabilitating after injuries.

## **Aqua Yoga**

Experience the benefits and challenges of practicing yoga in an environment that supports your body and allows you to enjoy poses that can be more difficult on land.

## **Arthritis Exercise**

Warm water is the ideal environment for relieving arthritis pain and stiffness. Gain flexibility, range of motion, and strength while relieving pain. Also appropriate for persons without arthritis.

## **Barbell Strength**

A whole body strength class that is for all abilities and fitness levels. The class is set to music and uses light barbells, free plates, and hand weights.

## **Cardio Kickboxing**

Join us for cardio kickboxing, a fun combination of martial arts and upbeat cardio. This high-energy class will help improve coordination and build lean muscle, while having fun.

## **Core - Senior**

This gentle, introductory class focuses on the core. Stand, sit, use the wall for balance, or get on the floor based on your abilities and comfort levels with the and various exercises.

## **Core Strength - Intermediate**

Experience a full-body warm-up, low-intensity core, high-intensity core, 15 minutes core on the floor, balance, and cool-down. You need to be able to get down and up from the floor fairly easily.

## **Core - Advanced**

Focus on the abdominal muscles in this full-body workout and improve your balance, as well. This class is for **CONDITIONED INDIVIDUALS** who have been doing high-intensity cardio and weights for **AT LEAST 6 months**.

## **Cycle**

Sprint, climb, spin, and sweat in this high energy group biking experience set to powerful music. This cardio workout is done on a stationary bike and is based on cycle principles which focus on cadences, heart-rate zones, drills, climbs, and sprints.

## **Forever Fit**

Move it, strengthen it, and stretch it in this mixed-format class. Guaranteed to work all your muscles, including your heart. Great for beginners and active seniors.

## **HIIT**

Quick, intense bursts of exercise, followed by short, sometimes active, recovery periods.

## **Nia**

Recharge, rejuvenate, and come alive with this blend of dance, martial, and healing arts! Nia stimulates body, mind, and spirit. Great for all fitness levels.

## **Pilates**

Improve range of motion, postural strength and balance, abdominal strength, stability and control, and learn the body's awareness to its position in space.

## **Senior Strength + Balance**

Seniors can experience strength gains later in life and practice balance moves to reduce the likelihood and seriousness of falling and other common movement injuries.

## **Strength + Cycle**

A workout experience on and off the bike. Each class incorporates HIIT. Work your cardiovascular system through sprints and climbs followed by circuits for strength, using a variety of gym equipment.

## **Tai Chi for Health**

These Sun-style forms are easy on the joints and improve balance. Classes include a meet and greet, warmups, learning a new form (or exploring a previously-learned form in greater depth), and cool-downs.

## **Yoga - Chair**

Chair yoga is a beneficial form of yoga for any fitness level, from active seniors to those recovering from an injury. It has low impact on joints and Improves flexibility.

## **Yoga - Gentle**

Experience a blend of Iyengar (alignment focus), a bit of Viniyoga (moving with breath), and Anusara influence (mind, body, spirit). Perfect for beginners or people with injuries or disabilities.

## **Yoga**

Flow through this vinyasa class focusing on meditative breath, body strength, proper body alignment in asanas (postures), flexibility, and balance. A variety of levels are available.

## **Zumba**

Dance your way to fitness, with Latin and international rhythms. Maximize caloric output, burn fat, and tone your body in a fun, party-like atmosphere.

## **Zumba Gold**

Zumba Gold is done at a much lower intensity. It's just as much fun just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance allowing you time to learn the steps that are used in Zumba basic program
