Registration Information

- ◇ **Registration:** To register your child for an enrichment program, please see the attached enrollment form.
 - ◇ **Payment:** Payment for programs is due before the second class session. Payment can be made via check (payable to Barrie School) or credit card. Participants with an outstanding balance may be removed from the program.
 - ◇ **Pick-Up:** Following class, students who have not been picked up will be taken to Barrie School's Extended Day program. Please reach out to Tim Evans at tevens@barrie.org for students in Grades 1 - 8. **Space is not guaranteed. Drop in rates apply.**
 - ◇ **Cancellation and Refunds:** If a program is cancelled due to low enrollment, families will receive a full refund for their students. Families who wish to remove a student from a program prior to its start must be done at minimum three business days in advance of the start of that particular program. A partial refund, excluding a \$25 registration fee, will be returned if cancellation is three days prior to the start of that program. There are no refunds for any cancellation after a program has begun. In the event that a class is cancelled due to inclement weather, families will be given a refund for the class session missed if the class is unable to be made up at a later date. There are no refunds if a class is missed due to a student's absence.

VineyardApp: Cooking Around the World

Location: Rothschild Hall Art Classroom

Timing: 3:45 - 4:45 PM

Eligible for: 1st - 5th Grades

Frequency and Price: 8 Classes for \$250

Class Day: Wednesday

Dates: October 5,12,19,26, November 2,9,16,30

Program Notes: Do you love to cook? Want to know more recipes? In this unique cooking class, students learn all about food: how to make it and how to use it for good! You'll learn about food safety and cook (oven-less) recipes from 6 inhabited continents. Everything you cook will be easy to make and suitable for after-school cooking: including "easy pizza", Japanese Onigiri (Rice Balls), and other finger-foods from Africa, Asia, and South America. During sessions, students will play fun cooking games and learn a bit about the culture that we are immersing ourselves in weekly! At the end of class, you'll have a whole recipe book you can use to impress friends and family at home!

Mad Science

NASA: Academy of Future Space Explorers
