Jasper School
Library Media Center Schedule

The Jasper High School Library Media Center operates under a Flexible schedule that is created through collaboration between the Library Media Specialists and instructional teachers, and is supported and encouraged by the administrators.

The Jasper High School Library Media Center is open from 7:20am until 3:15pm, Monday through Friday, during the operating school year.

Students can access the LMC at any time during the school day for independent learning with permission from the instructional teacher.

Students may access the LMC at any time during the school day to check-out or renew reading materials.

The LMS is available for patron assistance at all hours during the school day.

Teachers can schedule library or computer lab time via the online scheduling system (link below), or by directly contacting the LMS.
