

MSDA Handbook/Academic Policy Agreement

Students discussed the Mount St. Dominic Academy Student Handbook (available on the Portal under “Academic Information”) containing the Mount’s policies, procedures, rules and regulations. We ask that parents and students read this Handbook and discuss the contents, as individuals will be held accountable for all the material.

We strive to prepare your daughter for life and the challenges and responsibilities it holds. Let us together help her to understand her boundaries and fulfill her responsibilities. After reading the Handbook and the policies it contains, fill out the form below and sign by **Friday, September 16, 2022**. Email mainoffice@msdacademy.org with any questions.
