

Students entering Middle School 7th grade

Immunization Requirements

In order to register your child for school, we must have proof that your child received the following:

- 1 dose of Meningococcal Vaccine (meningitis)
- 2 doses of Varicella Vaccines (chicken pox)
- 1 dose of Tdap Vaccine (tetanus, diphtheria and pertussis)

Please provide your shot record to the Nurse if your child has received these vaccines.

Students not in compliance WILL NOT be able to register until the shots are received and the written record is provided.

Thank you!
