

ROSE PARK ELEMENTARY SCHOOL

From the Desk of Principal Griffith

September 9, 2022

Parents and Guardians,

For the time being, we will allow students to have cell phones/smart watches at school. However, the following guidelines will be enforced:

- Cell phones must be OFF during the school day
- Cell phones must remain in the student's backpack all day.
- Cell phones may be used after dismissal, outside of the school.
- Watches may only be used as a watch.

If these guidelines are not followed, consequences are as follows:

1st time: Warning

2nd time: Device is taken to the principal and given back at the end of the day, parents are notified.

3rd time: Device is taken to the principal, parent is notified and asked to pick up the item from the principal at school.

Thanks for your attention to this matter,

Amber Griffith, Principal
