2022 Meaningful Notice Memo for all 403(b) and 457(b) Eligible Employees

Per Universal Availability requirements mandated by the IRS, we are required to inform you of your eligibility to participate in the 403(b) and/or 457(b) retirement plans. Generally, "Universal Availability" means that if an employer permits one employee to defer salary into a 403(b) plan, the employer must extend this offer to all employees, other than those whom the law allows to be excluded. Universal availability also requires the plan to give meaningful notice to employees of their right to make elective deferrals. At any time throughout the year you can start, stop, or change elective deferrals.

As an employee of Ventura Unified School District you may be eligible to participate in a 403(b) and/or 457(b) retirement plan. The IRS created retirement savings plans for various groups to encourage retirement savings by offering tax benefits. Participation in these plans is voluntary and allows you to contribute pre-tax and/or after-tax dollars, taken directly from your paycheck and deposit these funds into a retirement account with an investment provider of your choice.

2022 IRS limit on elective deferrals – 403(b)	\$20,500
2022 IRS limit on elective deferrals – 457(b)	\$20,500

There are many companies that offer retirement plans. The website www.403bCompare.com offers free objective information about 403(b) vendors and the products they offer.

In addition, the District has a third part plan administrator, Tax Deferred Solutions (TDS) at <https://tdsplans.org/>, which is available to assist District employees. Please refer to the TDS website for a current list of the 403(b) provided offered by the District plan.
