August 15, 2022

Mr. Angeli:

I am writing to get approval to move forward with the planning of a trip to Paris and the French Riviera in the summer of 2024. The trip is being coordinated by Educational Tours, a company that KHS has used several times in the past including trips that I have done to Rome/Greece in 2016, France/Normandie/London in 2018 and Ireland/Scotland in 2022. Per board policy 6153.1, I am writing to let you know that I acknowledge that the trip is not school or BOE sponsored or endorsed and that all correspondence and advertising for the trip will indicate such.

Dates of the trip: Depart on June 24, 2024 for 8 days.

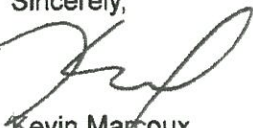

Number of travelers and chaperones: Number of participants is to be determined, all students, family and faculty are eligible to attend. EF requires 1 chaperone for every 6 travelers.

Cost: \$4379.00 for students and \$4,829 per adult includes: flight, accommodations, 2 meals per day, full-time tour director, sightseeing tours with guides, entrances to attractions.

Transportation: Flight out of Boston, buses and trains while in France.

Please feel free to contact me at anytime should you have any questions regarding this exciting opportunity for our students.

Sincerely,

Kevin Marcoux  
Athletic Director  
Head Golf Coach

The Board came out of executive session at 8:23 p.m.

**6. POSSIBLE ACTION ON SPECIFIC DIVISION OF REPRESENTATION BY AREA**

**MOTION:** by Ms. Hegedus, seconded by Mr. Napierata to use Shipman & Goodwin for negotiations only and Deborah Stevenson for all other legal matters.

**Yes-6**

**No- 2, Ms. Rivera-Abrams and Sue Lannon**

**Motion Passes**

**7. DISCUSSION AND POSSIBLE ACTION ON A NEW BOARD DIRECTIVE ON GRANT  
APPLICATION PROCEDURE**

Sue Lannon asked Sue Nash to explain the current grant process. Nash explains that some applications require Board vote and some don't.

Lydia Rivera-Abrams shared that the Board should get copies of grants and also wants sufficient time to review.

Kyle Napierata believes that ESSER is the grant that we are currently being questioned on from the State.

Superintendent Angeli agrees that the grant process can be frustrating. However, it would be difficult for administration to bring all grants to Board because of time constraints.

Norm Ferron communicated that any obligations of the Board should be reviewed prior to sending out.

Jason Muscara shared that large grants should be approved by the Board. We were never informed of the mental health clinic requests or funds received from ESSER or ARP grants. The community should be aware of what the district is doing for their children.

Jen Hegedus communicated that she is interested in reviewing larger district grants, not every teacher, library grant, etc.

Kelly Martin shared that we need to keep in mind that the Board changes members every couple of years, and there needs to be a better process for informing new Board members of grants.

Superintendent Angeli stated that the district was not granted any monies at all for an SBHC in any grant. On May 10th he made a revision to the grant to spend funds elsewhere.

Jason Muscara said that this is the first time we are hearing this clarification. There is a disconnect between the Board and administration.

Mr. Angeli informed Mr. Muscara and the Board that he communicated with Board leadership on this matter. Mr. Ferron stated that he did have a recent conversation with the Superintendent on this matter.

**MOTION:** by Ms. Hegedus, seconded by Ms. Martin that the Board be provided detailed application information about usages for each district grant to the Board for approval prior to the application being submitted in a timely manner.

Yes-7

Abstain- 1, Susan Lannon

**Motion Carries**

#### 8. **ADJOURNMENT**

**MOTION:** by Jason Muscara, seconded by Sue Lannon to adjourn at 9:00 p.m.  
Unanimous

**Motion Carries**
