

Spring Branch ISD Athletics

Major Award List

Athletic Award Guidelines

1. Major varsity awards (letter jacket, blanket, and sweater) are awarded one time to an individual student-athlete during the course of their high school career. A Major Varsity Award is awarded for the first varsity letter a student-athlete receives.
2. Letter jackets are paid for by SBISD Athletics for UIL sports participants.
3. A student-athlete who does not complete the season in good standing will forfeit any award for that sport.
4. Senior student-athletes who have not yet received a varsity award as members of an athletic program, may at the head coach's discretion, be allowed to measure for their jacket at the beginning of their senior year so they may receive their letter jacket early.
5. Head coaches will send the list of those student-athletes who should be measured to the Campus Athletic Secretary, Heather LaBorde (heatherlaborde@gmail.com), our MECCA letter jacket representative, and the Campus AD.
6. The letter jacket representative will provide each coach with information about the ordering process for their student-athletes prior to the measuring date.
7. Each head coach should make every attempt to be present at lunch when student-athletes are being measured for their jacket by the letter jacket company.
8. If student-athletes elect not to be measured for a jacket or receive a blanket or sweater, the head coach needs to make the Campus Athletic Secretary aware of this decision.
9. Head coaches and the Campus Athletic Director will review all letter jacket orders from the carbon copies given to the Campus Athletic Director by the letter jacket representative to be sure that the student's request is appropriate before the order is approved by Athletics.
10. Letter jacket orders will be received by the Campus Athletic Secretary on each campus for distribution to the head coaches, who will be responsible for getting the jackets to their student-athletes.,
